on a piano Without too much adaptation which any discreet player will know how to make it could alternatively be played on the organ But unless a small continuo organ is available placed close to the orchestra and soloists a piano failing a harpsichord would be better for the solos than an organ situated at a distance T p verso **Handel's Messiah** Friedrich Chrysander,1969 **Tainted Glory in Handel's Messiah** Michael Marissen,2014-04-15 Every Easter audiences across the globe thrill to performances of Handel s Hallelujah Chorus but they would probably be appalled to learn the full extent of the oratorio s anti Judaic message In this pioneering study respected musicologist Michael Marissen examines Handel s masterwork and uncovers a disturbing message of anti Judaism buried within its joyous celebration of the divinity of the Christ Discovering previously unidentified historical source materials enabled the author to investigate the circumstances that led to the creation of the Messiah and expose the hateful sentiments masked by magnificent musical artistry including the famed Hallelujah Chorus which rejoices in the dashing to pieces of God s enemies among them the people of Israel Marissen s fascinating provocative work offers musical scholars and general readers alike an unsettling new appreciation of one of the world s best loved and most widely performed works of religious music Selections from [the original manuscript of the] Messiah an oratorio Georg Friedrich Händel,1945 **The Messiah** G. F. Handel,2008 **Handel the Messiah** George Frideric Handel,2001 Handel's Messiah Calvin R. Stapert,2010-10-12 Handel s oratorio Messiah is a phenomenon with no parallel in music history No other work of music has been so popular for so long Yet familiarity can sometimes breed contempt and also misunderstanding This book by music expert Calvin Stapert will greatly increase understanding and appreciation of Handel s majestic Messiah whether readers are old friends of this remarkable work or have only just discovered its magnificence Stapert provides fascinating historical background tracing not only Messiah s unlikely inception but also its amazing reception throughout history The bulk of the book offers scene by scene musical and theological commentary on the whole work focusing on the way Handel s music beautifully interprets and illuminates the biblical text For anyone seeking to appreciate Handel s Messiah more this informed yet accessible guide is the book to have and read Handel s Messiah Comfort for God s People is the newest volume in the flourishing Calvin Institute of Christian Worship Liturgical Studies Series edited by John D Witvliet **A Textual and Historical Companion to Handel's Messiah** Watkins Shaw,1965 This book provides an ample background of textual and historical information to Handel s Messiah Though it arises from the author s work involved in his own edition in vocal and full score Novello its relevance is by no means confined to that edition A survey of Handel s singers and of manuscript sources of the work provides the basis for an investigation into the alternations and development to which the work was subject after its original conception The alternative versions of numerous movements are also reviewed and thus a certain amount of light is shed on the form assumed by the earliest printed copies After an important discussion of textual authority and a commentary on the readings of individual movements the author concludes with a statement of editorial aims and practices Back cover **George**

Handel Donald Burrows,1991-06-24 This new guide to Handel s most celebrated work traces the course of Messiah from Handel s initial musical response to the libretto through the oratorio s turbulent first years to its eventual popularity with the Foundling Hospital performances Different chapters consider the varying reception the work received in Dublin and London the uneasy relationship between the composer and his librettist Charles Jennens and the many changes Messiah underwent through the varying needs and capacities of Handel s performers As well as tracing the history of the work s development the book addresses musical and technical issues such as Messiah s place in the oratorio genre Handel s treatment of structural design tonal relationships and English word setting An edited libretto elucidates the variants between the text that Handel set and the texts of the early printed word books Donald Burrows brings many new insights to this fascinating account of one of the favourite works of the concert hall *Handel's Messiah* Gregory S. Athnos,2023-04-06 We think we know Handel s Messiah having heard it or performed it so many times But is there another way to look at this masterpiece Who assembled the texts Why How did Handel incorporate his own spiritual understanding of the texts In this treatise we view the composition from the same Baroque aesthetic perspective the composer used the Doctrine of Affections an approach heretofore unexplored in relationship to Handel s Messiah which held that every major and minor key prompted a particular very specific and involuntary emotional and spiritual response in the listener When facing a choice between following the accepted rules of musical composition or using the Affect best suited to the scriptural text Handel almost exclusively chose the Affect in other words he chose spiritual insight over compositional tradition Overlaying the various Affects on each movement of Handel s composition we discover the true heart and spiritual depth of the composer s magnum opus *G. F. Handel: Messiah (SATB/Piano)* Watkins Shaw,1999-08-01 G F Handel Messiah a sacred oratorio arranged for SATB with piano part is presented here by Novello edited with piano reduction by Watkins Shaw
