## Gas Wars:

*GAS WARS - Crony Capitalism and the Ambanis* PARANJOY GUHA THAKURTA, SUBIR GHOSH, JYOTIRMOY CHAUDHURI, 2014-05-13 The two brothers had fought over many issues but what sometimes got lost in the din of the battle cries was a simple fact much of the tussle was over India's natural resources about how the resources were intended to be mined, marketed and monetised. Paranjoy Guha Thakurta shows how the simmering controversy over the rich natural gas reserves in the Krishna Godavari Basin boiled over into a primetime storm on gas pricing involving the office of the Comptroller and Auditor General of India, the Ministry of Petroleum and Natural Gas as well as the Prime Minister's Office even as he introduces new dimensions to it. While many reasons have been attributed to the split in the powerful Indian business family the Ambanis, this book argues that the battle between the Ambani brothers was largely about wresting control over reserves of natural gas that are below the ocean bed along the basin of the two greatest rivers of southern India. With painstaking research, a meticulous perusal of press reports as well as a few surprising exclusives, *Gas Wars* highlights cases of crony capitalism that allowed the Reliance group to blatantly exploit loopholes which were consciously retained in the system to benefit it. Even as the book tells the story of how the country's largest corporate conglomerate has benefited from the way government policies are structured, it lays bare the alarming facts of a natural disaster waiting to happen due to the ruthless exploitation of the country's natural resources in order to swell the fortunes of a few.

**Gasoline Price War in New Jersey** United States. Congress. Senate. Select Committee on Small Business, 1955 [Gasoline Price War in New Jersey](#) United States. Congress. Senate. Subcommittee on Retailing, Distribution, and Fair Trade Practices, 1955

**War, Peace and International Order?** Maartje Abbenhuis, Christopher Ernest Barber, Annalise R. Higgins, 2017-02-24 The exact legacies of the two Hague Peace Conferences remain unclear. On the one hand, diplomatic and military historians who cast their gaze to 1914 traditionally dismiss the events of 1899 and 1907 as insignificant footnotes on the path to the First World War. On the other, experts in international law posit that The Hague's foremost legacy lies in the manner in which the conferences progressed the law of war and the concept and application of international justice. This volume brings together some of the latest scholarship on the legacies of the Hague Peace Conferences in a comprehensive volume drawing together an international team of contributors.

**Energy Conservation and Conversion Act of 1975: July 10, 11, and 14, 1975** United States. Congress. Senate. Committee on Finance, 1975

**The Politics and Complexities of Crisis Management in Ukraine** Gregory Simons, Mykola Kapitonenko, Viktor Lavrenyuk, Erik Vlaeminck, 2017-11-13 Ukraine gained its independence from the Soviet Union in 1991. In the decades between the end of the cold war and the crisis of 2014, the country suffered a large decline in agricultural and industrial production, plunging economic indicators into a sharp decline and leading to large scale poverty and hardship. This collection by leading scholars

from the region explores the various crises affecting Ukraine since independence Valuable crisis management research is made available from both Russian and Ukrainian sources and the on going crisis in Ukraine put in context and analysed This accessible volume interacts with many disciplines including political science security studies crisis management and communication studies and should prove useful to both students and researchers *Progress*, 1899 *United States of America V. Gasoline Retailers Association, Inc*, 1960 **Gasoline Price War in New Jersey** United States. Congress. Senate.
