Test 1

Key

Reading and Use of English Part 1

Training

Useful language: putting words in context

- 1 "Work" is uncountable and so cannot be preceded by "a". *Jackie has got a good job at ...*
- 2 "Count" must be followed by "on". *Five can count George to be willing ...*
- 3 "Worry" would be followed by "about asking". *Don't hesitate to ask if you need ...*
- 4 You "explain" something "to" someone. *The hotel receptionist will inform you how to get to the conference centre.*
- 5 "Travel" can't be used with the definite article. *The train journey from Moscow to ...*
- 6 "Police" takes a plural verb, so it would have to be: *A police officer is questioning the person ... The police are questioning ...*

Useful language: identifying collocations

- 1 The correct collocations are:
 - 1 give permission / someone-a-favour / a presentation / someone-a hand [do someone a favour]
 - 2 lay claim to / the blame on / the table / an excuse [give/make an excuse]
 - 3 make a mistake / plans / a noise / your-best [do your best]
 - 4 pay attention / a tribute / tribute to / a compliment [pay for a ticket]
 - 5 run an exercise / a business / a race / a campaign [do an exercise]
 - 6 shoot a film / past someone / an arrow / a camera [use a camera]
 - 7 stand a possibility / a chance / trial / for parliament [there is a possibility]
 - 8 take care / measurements / a promise / the train [make a promise]
- 2 1 lay the blame on 2 stand trial 3 make a noise
4 give a presentation 5 took measurements 6 run a campaign
7 pay tribute to 8 shot past

3 1 C 2 D 3 B 4 A 5 B 6 D 7 C 8 B

Thinking about meaning

1 A 2 C 3 D 4 A 5 B 6 C

Exam practice

- 1 B People can be "in discussion", but a topic is "under discussion/ debate" or "a source of argument".
- 2 D "Precisely" collocates with "why" in a way that none of the other adverbs does.
- 3 A "Functions" and "purposes" are often used together when describing a particular phenomenon in science or society.
- 4 B "Maintain" collocates with "health" and other adjectives such as "warmth" or "silence" with the meaning of preserving in that condition.

- 5 C "Full" collocates with words like "efficiency", "power" or "impact" to give the idea of "total" or "complete".
- 6 D The other words do not fit the meaning here – you "acquire information" through reading or talking to other people, you "achieve" or "reach" a goal of some sort, and you "complete" a task of some kind.
- 7 C Only "based" is followed by "on".
- 8 A "Moments" is too short and "eras" too long a period of time to fit here, while "episodes" is used about usually negative events in a series, e.g. "episodes of madness/fainting/violence".

Reading and Use of English Part 2

Training

Useful language: using prepositions

- 1 1 A number of customers complained **about** the after-sales service.
2 All the work will be done **by** volunteers.
3 Delegates experienced a number of problems related **to** the broadband connection at the conference centre.
4 Alexandra was able to make good use of her knowledge **of** foreign languages.
5 Many people took part **in** the anniversary festivities.
6 I must congratulate you **on** your excellent work.
7 I hope my letter will be taken **into** consideration.
8 The inspector drew management's attention **to** some problems in the workshop.
9 There is an urgent need **for** fresh water supplies in the region.
10 Have you seen the new advertisement **for** Lotus shampoo?
- 2 1 on 2 down 3 up 4 out 5 about/in 6 on 7 off/away
8 up 9 up/in 10 against 11 off 12 by

Useful language: using connectors

- 1 1 whereas 2 provided 3 whatever 4 unless
5 although 6 until 7 whenever 8 because
- 2 1 in accordance with 2 in order to 3 as long as 4 despite the fact that / even though 5 so as not to 6 in case 7 as if
8 as soon as 9 even though / despite the fact that 10 No sooner

Useful language: using pronouns

1 which 2 that 3 What 4 whose 5 It 6 which 7 whose 8 It

Exam practice

- 9 **Although:** If you read to the end of the sentence, it becomes clear that a conjunction is needed for the sentence to hang together. It also becomes clear that a conjunction that gives an idea of contrast is what is required.
- 10 **too:** Just as you are able to do something, so you have an ability to do something.
- 11 **so:** The conjunction "so that" introduces the purpose for doing something.
- 12 **once:** "Depend" is followed by "on", even though there may often be, as here, a phrase in parenthesis between the two words.
- 13 **less:** You have to think carefully about the meaning of this sentence in order to rule out other words that might fill this gap, such as, for example, "more", "no" or "some".
