

Intellectual Property Law: Text, Cases & Materials

First Edition 2020

This book tells about the intellectual property law of Bangladesh with some 4 key international treaties dealing with almost all and not classical forms of intellectual properties. The discussion on each type of the property involves with general principles, references to the treaty obligations and conventional text practices finding relevant provisions in the local primary and secondary legislation. The discussion also comprises the analysis of intellectual property cases drawn up from the local and foreign jurisdictions. The discussion centres on how an intellectual creation qualifies as an intellectual property, and how its registration and protection can be secured locally and internationally within the administrative and judicial setups. The discussion also focuses on exceptions to intellectual property rules which can help fulfilling the substantive needs of the people in a fast developed country like Bangladesh who will graduate to be developing country within time.
