## Visit to the zoo

I recently went on a visit to the zoo, and it was so much fun! I saw all sorts of amazing animals, including lions, giraffes, and monkeys. My favorite part was seeing the elephants, because they were so big and majestic. I also got to see a baby elephant, and it was so cute and playful. I also saw some flamingos, and they were so colorful and graceful. The zoo was a great place to learn about all the different animals and see them up close. I can't wait to go back and see even more amazing creatures.

## Reading Comprehension Workbook Fan Favorite:

**Resources in Education**, 1997 *Paper Bag Princess - Literature Kit Gr. 1-2* Marie-Helen Goyetche, 2007-05-01 Don't judge a Prince by his clothing in this fairy tale. Students become engaged in the novel by discussing the reactions of its characters. Identify the vowel sounds from vocabulary words found in the story. Correct a set of sentences with their missing capital letters. Identify statements from the book as true or false. Students put themselves in Elizabeth's shoes and decide what they would have done to outwit the dragon. As a newspaper reporter, think of five questions to ask Princess Elizabeth and Prince Ronald about their ordeal with the dragon. Come up with things to change about the story, things not to change, and things to add with a Story Makeover graphic organizer. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz, and answer key are also included. About the Novel: This is the story of Princess Elizabeth who is in love with Prince Ronald. They plan to soon marry. One day a terrible dragon smashes Elizabeth's castle, burns her clothes, and disappears with her Prince Ronald. Everything is burnt, so she wears a paper bag and sets off to go get him. She outwits the dragon by challenging him. Exhausted by all the activity, the dragon falls fast asleep. Elizabeth steps over the dragon, goes into the cave, and rescues Prince Ronald. Astonished by his reaction, she tells him his clothes are pretty and his hair is tidy, but in fact, he's a bum. They don't get married after all.

**Growing Readers** Kathy Collins, 2004. Primary grade teachers face an important challenge: teaching children how to read while enabling them to build good habits, so they fall in love with reading. Many teachers find the independent reading workshop to be the component of reading instruction that meets this challenge because it makes it possible to teach the reading skills and strategies children need and guides them toward independence, intention, and joy as readers. In *Growing Readers*, Kathy Collins helps teachers plan for independent reading workshops in their own classrooms. She describes the structure of the independent reading workshop and other components of a balanced literacy program that work together to ensure young students grow into strong, well-rounded readers. Kathy outlines a sequence of possible units of study for a yearlong curriculum. Chapters are devoted to the individual units of study and include a sample curriculum as well as examples of mini-lessons and reading conferences. There are also four Getting Ready sections that suggest some behind-the-scenes work teachers can do to prepare for the units. Topics explored in these units include print and comprehension strategies, reading in genres such as poetry and nonfiction, connecting in school reading and out-of-school reading, developing the strategies and habits of lifelong readers. A series of planning sheets and management tips are presented throughout to help ensure smooth implementation. We want our students to learn to read, and we want them to love to read. To do this, we need to lay a foundation on which children build rich and purposeful reading lives that extend beyond the school day. The ideas found in *Growing Readers* create the kind of primary classrooms where that happens.
