

The Thought-Fox

**I imagine this midnight moment's forest:
Something else is alive
Beside the clock's loneliness
And this blank page where my fingers move.**

**Through the window I see no star:
Something more near
Though deeper within darkness
Is entering the loneliness:**

**Cold, delicately as the dark snow
A fox's nose touches twig, leaf;
Two eyes serve a movement, that now
And again now, and now, and now**

**Sets neat prints into the snow
Between trees, and warily a lame
Shadow lags by stump and in hollow
Of a body that is bold to come**

**Across clearings, an eye,
A widening deepening greenness,
Brilliantly, concentratedly,
Coming about its own business**

**Till, with a sudden sharp hot stink of fox
It enters the dark hole of the head.
The window is starless still; the clock ticks,
The page is printed.**

Ted Hughes

Ted Hughes Poems

Yi-Tong Ma

Ted Hughes Poems:

Embracing the Melody of Expression: An Emotional Symphony within **Ted Hughes Poems**

In a global consumed by displays and the ceaseless chatter of quick interaction, the melodic beauty and emotional symphony developed by the written word usually disappear into the back ground, eclipsed by the constant noise and interruptions that permeate our lives. However, nestled within the pages of **Ted Hughes Poems** a marvelous fictional prize overflowing with raw feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, this fascinating masterpiece conducts readers on an emotional journey, well unraveling the concealed tunes and profound affect resonating within each cautiously constructed phrase. Within the depths with this poignant analysis, we shall discover the book is key harmonies, analyze their enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
