## **Cry Wolf:**

**Cry Wolf** Edo van Belkom, 2022-09-20 This Aurora Award and Silver Birch Award winning series is the inspiration for the hit show on Paramount When the woods become a trap where does a wolf pack run Everyone at Redstone High is talking about the strange Brock kids How they keep to themselves at school and spend way too much time in the woods But Noble Argus Harlan and Tora aren't normal teens they were born with the power to become wolves And the more the siblings try to hide their secret identity the greater they struggle to fit in Then Noble falls mysteriously ill leaving the pack without a leader just when he's needed the most With a little girl lost in Redstone Forest the authorities suspect a wolf attack Which means the search team is intent on hunting even killing wolves and their kind It's up to the pack to find the girl and bring her back to safety before someone finds them first Suddenly the woods are a very scary place With the world turned against wolves is there anyone in the world the wolf pack can trust Praise for Cry Wolf story is full of action but also interesting bits of character development Let's hear it for the werewolves CM Magazine Cry Wolf will make you want to read them all The author has perfectly captured the essence of growing up different in a small town Fans of the character Jacob Black from Stephenie Meyer's series will love this wonderful series YA Book Central While obviously light on gore and violence there's plenty of suspense here It's wonderful to see kids issues broached in the trappings of a genre story especially one structured to get grade schoolers thinking and talking All in all Cry Wolf is a great stepping stone for monster kids who aren't quite old enough to partake in the monster bloodshed Rue Morgue In my opinion this book has an equal amount of thrilling awesome and exhilarating quality as Wolf Pack another book in the series but both of them are on my list of top ten books I've read Cry Wolf is a thrilling and exciting book and I would recommend it to people who love adventure books Ask Pippa *Cry Wolf*
