Blueprint Fairy Tale Retelling Kids:

Fairy Tales with a Black Consciousness Vivian Yenika-Agbaw, Ruth McKoy Lowery, Laretta Henderson, 2013-07-05 The all new essays in this book discuss black cultural retellings of traditional European fairy tales The representation of black protagonists in such tales helps to shape children s ideas about themselves and the world beyond which can ignite a will to read books representing diverse characters The need for a multicultural text set which includes the multiplicity of cultures within the black diaspora is discussed The tales referenced in the text are rich in perspective they are Aesop s fables Cinderella Rapunzel and Ananse Readers will see that stories from black perspectives adhere to the dictates of traditional literary conventions while still steeped in literary traditions traceable to Africa or the diaspora

Reading Children's Fairytales Mette Lindahl-Wise, Harry Oulton, Vicky Macleroy, Emily Corbett, 2025-11-17 Fairytales form a cornerstone of children s and YA literature studies and the tale of Hansel and Gretel has been translated adapted and retold across the years Reading Children s Fairytales Inside the Gingerbread House brings together leading and emerging researchers and practitioners to showcase how interdisciplinary approaches enable diverse responses to texts This edited collection opens up possibilities for cross pollination between critical multimodal and creative approaches It celebrates multiple forms of knowledge and meaning making within and beyond academic discourse and engages young people in the conversation The authors explore a wide range of retellings of Hansel and Gretel from children s picturebooks graphic novels poetry and young adult fiction to sculpture and Hip Hop to offer a comprehensive investigation of the tale The volume also benefits from the voices of acclaimed creative writers who create and reflect on retellings that cross cultural and international boundaries In engaging with such a range of popular retellings the chapters bring a renewed attention to the need to disrupt hierarchical and canonical perspectives on children s and YA literature

King Rat China Miéville, 2000-10-06 A young man discovers his identity among a tribe of rats in the renowned fantasy author s riveting brilliant novel with an introduction by Tim Maughan Charles de Lint Something is stirring in London s dark stamping out its territory in brickdust and blood Something has murdered Saul Garamond s father and left Saul to pay for the crime But a shadow from the urban waste breaks into Saul s prison cell and leads him to freedom a shadow called King Rat King Rat reveals to Saul his own royal heritage a heritage that draws him into the grimy magical world below London s streets With drum and bass pounding the backstreets Saul must confront the forces that would use him the ones that would destroy him and those that have shaped his own bizarre identity World Fantasy Award winning author China Mi ville began his astounding career with the novel King Rat which combines a young man s search for identity with a pulse pounding story of revenge and madness This Tor Essential edition includes an introduction by Tim Maughan author of Infinite Detail

Russian Children's Literature and Culture Marina Balina, Larissa Rudova, 2013-02-01 Soviet literature in general and Soviet children s literature in particular have often been labeled by Western and post Soviet Russian scholars and critics as propaganda Below the surface however Soviet children s literature

and culture allowed its creators greater experimental and creative freedom than did the socialist realist culture for adults This volume explores the importance of children s culture from literature to comics to theater to film in the formation of Soviet social identity and in connection with broader Russian culture history and society **The Power of a Rich Reading Classroom** CLPE,2020-02-06 There is something quite magical about forming a connection to a book the way in which the words on the page can conjure feelings of excitement fun joy laughter or tears channeling the part of our being that fundamentally makes us human The journey that children take as they travel towards becoming a competent and confident reader can be a long winding and complex road This book helps teachers understand how to build a quality reading rich curriculum that supports the needs of all the children in their classroom Starting with a section on choosing texts the book goes on to explore a variety of essential teaching approaches from a read aloud programme to drama and storytelling art and illustration This is a practical resource that provides teachers and schools ideas to support the embedding of text experience and deliver a reading rich curriculum that leads to higher student attainment and working at greater depth **Women Screenwriters** Jill Nelmes,Jule Selbo,2015-09-29 Women Screenwriters is a study of more than 300 female writers from 60 nations from the first film scenarios produced in 1986 to the present day Divided into six sections by continent the entries give an overview of the history of women screenwriters in each country as well as individual biographies of its most influential **Monsters of Film, Fiction, and Fable** Lisa Wenger Bro,Mary Ann Gareis,Crystal O'Leary-Davidson,2018-07-27 Monsters are a part of every society and ours is no exception They are deeply embedded in our history our mythos and our culture However treating them as simply a facet of children s stories or escapist entertainment belittles their importance When examined closely we see that monsters have always represented the things we fear that which is different which we can t understand which is dangerous which is Other But in many ways monsters also represent our growing awareness of ourselves and our changing place in a continually shrinking world Contemporary portrayals of the monstrous often have less to do with what we fear in others than with what we fear about ourselves what we fear we might be capable of The nineteen essays in this volume explore the place and function of the monstrous in a variety of media stories and novels like Baum s Oz books or Gibson s Neuromancer television series and feature films like The Walking Dead or Edward Scissorhands and myths and legends like Beowulf and The Loch Ness Monster in order to provide a closer understanding of not just who we are and who we have been but also who we believe we can be for better or worse Resources in Education ,1997 *Creating Meaning Through Literature and the Arts* Claudia E.
