The World Portfolio Shortcut: Build Global Wealth with Just a Few Simple Funds Evander Hollowell, 2025-09-10 Investing across the globe doesn't have to be complicated. You don't need dozens of funds, endless research, or complicated formulas to create a resilient worldwide portfolio. With the right system, global diversification can be so simple it fits on a single page. This book shows you exactly how. Using just two or three low-cost funds, you can capture growth from the U.S. international developed markets and emerging economies without stress, guesswork, or information overload. Inside, you'll learn why global diversification is the key to long-term wealth, how to build a powerful worldwide allocation with only a handful of ETFs, and a one-page guide you can use immediately to set up and automate your portfolio. You don't need complexity to succeed; you need clarity. This is your blueprint for turning small, consistent investments into a globally diversified engine for financial freedom. Start today and let your wealth grow worldwide.

*Investing Explained* Matthew Partridge, 2022-02-03 Maximize your chances of investment success with this accessible and profitable guide, which pulls away the curtain to put you on a level footing with the professionals and points out where the pros can get it wrong. Never in history has it been easier for private investors to get involved in the market, and changes in technology, regulation, and access to information mean that the advantage experts may have had is fast disappearing. Written by Matthew Partridge, a financial journalist for the UK's leading investment magazine, *Investing Explained* is filled with real-life examples and plain English summaries of research produced by banks and academics to separate fact from fiction when it comes to investment clichés. *Investing Explained* covers the basics for beginner investors and includes more in-depth advice for those with more experience. Benefit from an overview of behavioural psychology and how you can profit from the irrational behaviour of others, advice on fintech apps and cryptocurrencies, and the impact of a political or economic crisis on your investments. Access the stock market with this invaluable guide and build an investment portfolio which can secure your financial future.
