A Basic Book Collection for Elementary Grades, 1960

Transforming Memories in Contemporary Women's Rewriting L. Plate, 2010-12-08 Including topics as diverse as feminism and its relationship to the marketplace plagiarism and copyright silence and forgetting and myth in a digital age this book explores the role of rewriting within feminist literature from the 1970s onwards in relation to the theme of cultural memory

A Basic Book Collection for Junior High Schools, 1960

Heroines of the Postmodern and their Worlds in

Contemporary Historical Fiction Alicja Bemben, Michael Joseph, 2025-09-29 This volume focuses on historical fiction written by and for women approximately in the last 30 years and across the entire globe It comprises three parts Part 1 draws on the theme of the inner life and experiences of the female historical figure Part 2 is concerned with genre bending that fuels the construction of the vast majority of story worlds within the genre and Part 3 with the idea of unusual angles that the historical fiction storytelling employs

World Literature Decentered Ian Almond, 2021-07-13 What would world literature look like if we stopped referring to the West Starting with the provocative premise that the West is ten percent of the planet *World Literature Decentered* is the first book to decenter Eurocentric discourses of global literature and global history not just by deconstructing or historicizing them but by actively providing an alternative Looking at a series of themes across three literatures Mexico Turkey and Bengal the book examines hotels melancholy orientalism femicide and the ghost story in a series of literary traditions outside the West The non West the book argues is no fringe group or token minority in need of attention on the contrary it constitutes the overwhelming majority of this world

[Greek Myths](#) Charlotte Higgins, 2022-01-11 A brilliantly original landmark retelling of Greek myths recounted as if they were actual scenes being woven into textiles by the women who feature prominently in them including Athena Helen Circe and Penelope Greek myths were full of powerful witches unpredictable gods and sword wielding slayers They were also extreme about families who turn murderously on each other impossible tasks set by cruel kings love that goes wrong wars and journeys and terrible loss There was magic there was

shape shifting there were monsters there were descents to the land of the dead Humans and immortals inhabited the same world which was sometimes perilous sometimes exciting The stories were obviously fantastical All the same brothers really do war with each other People tell the truth but aren't believed Wars destroy the innocent Lovers are parted Parents endure the grief of losing children Women suffer violence at the hands of men The cleverest of people can be blind to what is really going on The law of the land can contradict what you know to be just Mysterious diseases devastate cities Floods and fire tear lives apart For the Greeks the word *muthos* simply meant a traditional tale In the twenty first century we have long left behind the political and religious framework in which these stories first circulated but their power endures Greek myths remain true for us because they excavate the very extremes of human experience sudden inexplicable catastrophe radical reversals of fortune and seemingly arbitrary events that transform lives They deal in short in the hard basic facts of the human condition from the Introduction
