skills to advocate for social justice climate protection or any other issue that's important to you. Yes, you can do it even if you're deeply introverted if you've been scared of public speaking since middle school and if just hearing the word networking makes you deeply anxious. If you think that you're just not cut out for public speaking, stop and think again. You just didn't have the opportunity to learn public speaking skills from a trusted mentor. It's time to act. Don't let your amazing ideas wither away unheard and don't let career opportunities pass you by.

Communication coach Gerard Shaw is here to help you. A self-confessed introvert, he knows exactly what you're going through and how to empower you with actionable, scientifically proven techniques. Here's what you'll learn:

- Strategies to face down your fears and regain confidence
- How to harness the full potential of verbal and non-verbal communication and make your message strikingly powerful
- Expert-approved techniques to plan and structure your speech and visuals
- The three factors that will help you create a strong but sympathetic presence
- The beginner mistakes that could ruin your speech and how to avoid them

You may have tried consulting other public speaking books but ended up disappointed. But this book is different because it's so practical and relatable. It contains step-by-step guides that won't overwhelm you, allowing for calm, steady progress.

[The Art of Public Speaking](#) Antony McLoan, 2021-12-04. Public speaking is the act of using spoken words to convey information or a message to an audience. Public speaking is part of public relations and business communication, attaching one's ideas or thoughts for others to understand. It can be anything from a meeting presentation to a press conference speech. This book is a great guide that will help you to overcome your fear of public speaking and open up to the world. The book will help you how to speak better in public and in front of groups, how to apply the principles of persuasion, how to deal with criticism and audience, as well as many useful tips and tricks that can help you turn difficult situations into a positive experience. The key idea of this book is that there are no such things as mistakes or failures when it comes to public speaking. Every mistake can be viewed as a new lesson, something that was learned after committing or saying something wrong in public. Use your mistakes for self-development. Another important idea is that public speaking is not limited only by speech delivery. The book contains ten steps for success in public speaking. This book is meant to help the people who have fear of speaking or their fear of public. The author will help you overcome your fears and
