

Plato

Five Dialogues

Euthyphro, Apology,
Crito, Meno, Phaedo

Second Edition

Translated by
G. M. A. Grube

Revised by
John M. Cooper

Plato Five Dialogues 2nd Edition

PT Brinkman

Plato Five Dialogues 2nd Edition :

Plato: Five Dialogues Plato, 2002-10-01 The second edition of Five Dialogues presents G M A Grube's distinguished translations as revised by John Cooper for Plato Complete Works A number of new or expanded footnotes are also included along with an updated bibliography

Lives of the Eminent Philosophers Diogenes Laertius, 2018-04-16 Everyone wants to live a meaningful life Long before our own day of self help books offering twelve step programs and other guides to attain happiness the philosophers of ancient Greece explored the riddle of what makes a life worth living producing a wide variety of ideas and examples to follow This rich tradition was recast by Diogenes Laertius into an anthology a miscellany of maxims and anecdotes that generations of Western readers have consulted for edification as well as entertainment ever since the Lives of the Eminent Philosophers first compiled in the third century AD came to prominence in Renaissance Italy To this day it remains a crucial source for much of what we know about the origins and practice of philosophy in ancient Greece covering a longer period of time and a larger number of figures from Pythagoras and Socrates to Aristotle and Epicurus than any other ancient source This new edition of the Lives in a faithful and eminently readable translation by Pamela Mensch is the first rendering of the complete text into English in nearly a century Lavishly illustrated with a vast array of artwork that attests to the profound impact of Diogenes on the Western imagination this edition also includes detailed notes and a variety of newly commissioned essays by leading scholars that shed light on the work's historical and intellectual contexts as well as its rich legacy The result is a capacious fascinating and charming compendium of ancient inspiration and instruction

The Routledge Handbook of Metaethics Tristram McPherson, David Plunkett, 2017-08-24 This Handbook surveys the contemporary state of the burgeoning field of metaethics Forty four chapters all written exclusively for this volume provide expert introductions to the central research programs that frame metaethical discussions the central explanatory challenges resources and strategies that inform contemporary work in those research programs debates over the status of metaethics and the appropriate methods to use in metaethical inquiry This is essential reading for anyone with a serious interest in metaethics from those coming to it for the first time to those actively pursuing research in the field

Knowing and Being in Ancient Philosophy Daniel Bloom, Laurence Bloom, Miriam Byrd, 2022-05-26 This collected volume is inspired by the work of Edward Halper and is historically focused with contributions from leading scholars in Ancient and Medieval philosophy Though its chapters cover a diverse range of topics in epistemology ethics and political philosophy the collection is unified by the contributors consideration of these topics in terms of the fundamental questions of metaphysics The first section of the volume Knowing and Being is dedicated to the connection between metaphysics and epistemology and includes chapters on Heraclitus Plato Aristotle and the Ancient Daoists The second section Goodness as Knowing How to Be addresses ethics as an outgrowth of human metaphysical concerns and includes chapters on Plato Aristotle and Maimonides Contributors include William H F Altman Luc Brisson Ronna Burger Miriam Byrd Owen Goldin Lenn Goodman Mitchell Miller Richard Parry

Richard Patterson Nastassja Pugliese John Rist May Sim Roslyn Weiss and Chad Wiener Understanding Nietzsche,
Understanding Modernism Brian Pines, Douglas Burnham, 2019-02-21 Friedrich Nietzsche believed his own work represented
the dawning of a new historical era and despite the fact that he lived most of his sane life suffering in obscurity it is not an
exaggeration to say that his vision helped lay the foundations for modernism in style substance and attitude Nietzsche was
himself devoted to the modern for he reinterpreted every philosophy every historical figure and event every movement that
came before him This reconceptualization of the past through new modern eyes opened up Nietzsche s thinking to exploring
daring possibilities for the future This prophetic boldness which is so unique to his style seduced the modernist generation
across the spectrum He was read by early Zionists as well as by Nazi racial theorists by Thomas Mann and as well as by
Salvador Dali His influence stretched from psychoanalysis to anarchist politics Understanding Nietzsche Understanding
Modernism traces the effect of Nietzsche s thinking upon a diverse set of problems from ontology to politics to musical and
literary aesthetics The first section of the volume is a series of essays each exploring a major work of Nietzsche s explaining
its significance while contributing new interpretations of the text The middle portion connects Nietzsche s thought to the
various strands of modernism in which it reveals itself The final section is a glossary of key terms that Nietzsche uses
throughout his works An excellent resource for any scholar attempting to conceptualize the foundations of modernism or the
historical importance of Nietzsche this volume seeks to outline the philosopher s works and their reception amongst the
generations that immediately followed his passing **Fraught Decisions in Plato and Shakespeare** Dianne
Rothleder, 2020-11-17 In the reincarnation myth in Book X of Plato s Republic the unnamed first soul who has lived a good life
and has been rewarded in the afterlife chooses a new life and fate and chooses catastrophically badly He finds himself fated
to eat his own children Despite being warned to blame only himself he wails and blames anything and everything else in his
conviction that his fate is undeserved Though he should not be shocked because he has made this choice himself he is
incredulous because he has completely misunderstood the nature of his choice Starting with Plato s myth this book looks at
the errors this soul has made and considers these errors through both the Republic and a series of paired Shakespeare plays
Reading the Republic along with Othello and The Comedy of Errors the first section focuses on the misreading of comedy and
tragedy in the life of the individual returning to the Republic and using The Merchant of Venice and Pericles Part II focuses
on the broadened context of the misuse of political and economic forces returning again to the Republic and reading Timon of
Athens and Measure for Measure Part III focuses on the broadest context the misunderstanding of the inseparability of birth
and infinite debt The hope of the text and the hope of human life is to help us avoid choosing lives that devour what we most
