Public Speaking Skills A Practical Guide John Keys, 2019-11-28 Buy the Paperback Version of this book and get the Kindle Book version for FREE. Do you want to know how to build an effective public speech? How to fulfill the tasks set by the speaker, convince the audience, and attract it to their side? What methods and techniques to apply? Even if you are not a natural communicator with Public Speaking Skills, you will see that it will give you what you need when it comes to knowing how to speak in public in different scenarios. The many topics within the book will include the following: Developing eloquence, Correctly organizing a speech, Mastering the methods of oratory, Mastering body language, voice, and intonation, Improve energy and self-esteem, Overcoming fear and anxiety. And much more. After establishing a firm understanding of these topics, there should be no reason for any doubt to remain about how the public speaking communication process works. The more correctly a person expresses his thoughts, the more easily he achieves his life goals. The ability to possess information, work with information, and easily and competently transmit it, these are the qualities of a modern successful person. The word is not only a means of communication and exchange of information, but it is also a tool for influencing the consciousness and will of people in order to educate them, form beliefs, and mobilize them for specific cases. And such tasks can only be accomplished by a remarkable person, which is what those who master the art of rhetoric become. A special science about the laws of invention, arrangement, and expression of thoughts and speech. No wonder it was called in ancient times the art of controlling the minds. Plato and was placed on a par with the art of a commander. Cicero and its strong influence recognized as vital in the development of society and the state. Naturally, many scholars have devoted their treatises to oratory, wanting to find new tricks and methods with which to make speech convincing. And today, practitioners and researchers in the field of oratory are also worried about
