Marvin Pate, 2009-05-01 Intriguing and endlessly contentious ideas and images of apocalyptic measure come together in the book of Revelation It is a rich and hermeneutically complicated Scripture that unsurprisingly has no universally accepted interpretation *Reading Revelation* compares these four major approaches to Revelation by laying out the different interpretive translations provided by each school of thought in parallel columns **Reading the New Testament** Mark J. Keown, 2024-04-26 This book is a follow up to *Discovering the New Testament* a three volume series introducing students to the New Testament published 2018 2022 It is a more basic introduction for those beginning their biblical study The book includes chapters on exegesis and hermeneutics the Jewish and Greco Roman background to the New Testament and each part of the New Testament is introduced It is a good basic primer for those setting out on biblical study **The**

Last Days Are Left Behind James Ellis, 2008-06 Have you been wondering as a Christian or non Christian what many think and expect will happen in the last days or end times with all the talk and focus in the headlines and some churches about our future And with all the events taking place in the Middle East especially Israel And Iran Are you confused because of various end time scenarios and conflicting opinions promoted through popular books on prophecy the Left Behind series televangelists preachers and others speaking of a great tribulation rapture Armageddon Apocalypse the destruction of the earth a new heaven and earth a second coming and a millennium There has been an overload of teaching and information about these things over the last century however sincere and cloaked in good intentions yet with long held and deep seated traditions and doctrines all borne of a lack of accurate knowledge particularly the Hebrew and Greek and information based on compelling evidence Would you like to know what the Bible actually says about all these issues For God s Word itself Let Scripture Interpret Scripture and the Holy Spirit are the only necessary interpreters The Last Days Are Left Behind will challenge your thinking help to erase the confusion and provide clarity regarding the present day purpose of God Author James Ellis demonstrates end time truth based logically on solid evidence after a linguistically accurate biblically consistent and intellectually honest examination of the Bible s prophetic passages and verses the original languages Hebrew and Greek the social cultural and historical context of Scripture and the relevance of the audience spoken or written to in God s Word

Argument is War: Relevance-Theoretic Comprehension of the Conceptual Metaphor of War in the Apocalypse Clifford Winters, 2020-09-25 In Argument is War Relevance Theoretic Comprehension of the Conceptual Metaphor of War in the Apocalypse Clifford T Winters demonstrates that the apparent war in the Apocalypse is rather telling the story of the gospel how Christ will restore Israel and through them the rest of the world When Revelation is viewed through the corrective lens of cognitive linguistics its violence becomes victory its violent characters become Christ and its bloody end becomes the blessed beginning of the New Jerusalem Revelation is simply telling the story of the early church the Gospels and Acts to the early church and it is using a conceptual metaphor ARGUMENT IS WAR to do it The End Times Controversy Tim F.

LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future **Can We Still Believe in the Rapture?** Mark Hitchcock, Ed Hindson, 2018-01-01

Christian Fiction or Biblical Fact Today the hope that all believers on earth will be caught up to heaven is being challenged in new waves of criticism Is the rapture really taught in the Bible Can we really expect Jesus to gather up His followers before the Antichrist is revealed In this well reasoned and thorough defense prophecy authors Mark Hitchcock and Ed Hindson examine the concept context and consequences of the important and long expected event known as the rapture Discover the answers to such questions as What is the rapture and is there any historical precedent for it Why do some believers object to the idea of a rapture Does the timing of the rapture really make a difference As you explore what Scripture says about the

end times you'll get a grander glimpse of your glorious future and the deepest hope of every follower of Jesus *Revelation* Practical Christianity Foundation, 2003-06 The book of Revelation has been the source of controversy for hundreds of years. With the countless interpretations available, it seems that understanding the last days has never been more difficult. In this latest installment of their series of devotional studies, the Practical Christianity Foundation presents Revelation in its typical simple, straightforward, and unapologetic style. **Revelation Revolution** Greg Albrecht, Plain Truth Ministries, 2005

Will Catholics be "left Behind"? Carl E. Olson, 2003 This book is a thorough Catholic critique of the popular Fundamentalist belief in the Rapture—the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming. It examines the theological, historical, and Biblical basis for the Rapture by carefully examining premillennial dispensationalism, the belief system in the Left Behind books, and propagated by such Biblical prophecy writers as Tim LaHaye and Hal Lindsey. Written for both the lay person and the serious student, this book combines an engaging popular approach with detailed footnotes and exhaustive research. Beginning with the big picture, it focuses first on key concepts such as eschatology, the Parousia, end times, the Kingdom, and the Church. Olson then shows how Fundamentalist author and Left Behind creator LaHaye's many works on Bible prophecy are filled with attacks on Catholicism and numerous misconceptions. **BOOK JACKET Title Summary** field provided by Blackwell North America, Inc. All Rights Reserved. *Coming Again* Jerry Newcombe, 1999 Ever wonder when Jesus will return for His church? Will it be soon? And what about the Tribulation? Will Christians live through it or be raptured before it? Is the Millennium a literal one thousand year period? What do these and many more terms mean? How do they figure into Christ's Second Coming? What can Christians expect in the days ahead? Jerry Newcombe examines and explains the issues surrounding the Second Coming, clearly presenting the various points of view. Giving examples from the recent and distant past, he points out the folly of trying to set the date for Jesus' return. Rather, he encourages Christians to focus on our common hope in Christ rather than bicker over the hows and whens of our future. His passionate plea to be ready for Christ's coming will have you saying, "Even so, come, Lord Jesus." All of history is moving toward its inevitable climax—the return of Christ. How will it be? How will He come? Well-meaning Christians answer that question different ways. To get a good understanding of those various opinions and the consequences that flow out of those opinions, I recommend you read *Coming Again*. D. James Kennedy, Ph.D., Senior Minister, Coral Ridge Presbyterian Church.

Prophecies & End-time Speculations Kenneth McIntosh, 2005 Learn of the ancient prophecies that inspire end-time beliefs and what is to come in the future. **Chalcedon Report**, 2001 *Revelation* Thomas Nelson, 2020-03-31 How can we understand the book of Revelation and its many interpretations? *Four Views of Revelation: A Parallel Commentary* covers the traditional views in an even-handed fashion. Four parallel columns present the information you need on these key views and inform you about outstanding commentators on the book of Revelation. No other book gives such extensive coverage of how the church has understood Revelation over the centuries. The four-column format makes this an easy read for lay people.
