Index to the General Orders of the 501st Parachute Infantry Regiment in World War II Brandon T. Wiegand,2004 **US World War II Parachute Infantry Regiments** Gordon L. Rottman,2014-01-20 This unit by unit study tells the stories of the 17 US Army parachute infantry regiments raised during World War II detailing differences of uniforms insignia both official and unofficial specialized equipment and practices between the regiments The G.I. Collector's Guide Henri-Paul Enjames,2022-09-21 In World War II the U S Army not only supplied its soldiers with the most modern equipment and uniforms suitable for any combat situation but went as far as providing them with their favorite drinks or candy bars and seemingly anything else they might require This comprehensive reference book brings together all the equipment issued to American soldiers in the European Theater of Operations 1943 45 Each item is presented with its catalog numbers described in detail and fully depicted in photographs including close ups of the labels to aid identification of items Graphics and diagrams offer additional information and context There are chapters on everything from uniform insignia and small arms issued to the individual through crew served weapons rations tents to sports and recreation equipment There is full coverage of the specialist items issued to Airborne Armored and Mountain troops engineers signallers Military Police medics chaplains and female personnel From the chewing gum included in K rations through to artillery laying equipment mess trays to portable altars and field harmoniums this photographic reference gives a unique insight into the world of the U S Army in World War II As a complete catalog with high quality photographs this book is invaluable to both family historians researching grandpa s kit found in the attic and to collectors in their quest to find authentic items among the reproductions that flood the modern market Four Stars Of Hell Laurence Critchell,2015-11-06 The wartime exploits of the 501st Parachute Infantry Regiment are told here in the most vivid and appropriate way by one of the men who experienced their battles firsthand Captain Laurence Critchell The author fought with the men of the Screaming Eagles from the tough training at camp Toccoa Georgia to their hellish night drop on D Day and all the way to the capture of Hitler s mountain retreat at Berchtesgaden During 1944 1945 the author and his comrades soldiers would be involved in some of the heaviest and bloodiest fighting in Europe during the Operation Market Garden at Nijmegen and the Battle of the Bulge at Bastogne A gripping read of the Second World War as told by a decorated combat veteran It is fitting that the story of the 501st Parachute Regiment of the famed 101st Airborne Division should be told by a parachute captain The New York Times A personalized record told in terms of the men of all ranks of how they trained and fought and died the story has an authentic ring U S Quarterly The greatest airborne operation of this or any other war Lewis H Brereton Former Lt General First Allied Airborne Army World War II *U.S.A. the release of once secret information have transformed the history of this campaign At times it seems like a whole new war

New York Times Book Review D-Day +60 Years Jerome J. McLaughlin,2004-04-21 This unique account of D Day history provides an unusual look into the US Armys preparation of a new type of World War II warfare that of airborne operations The book describes using personal interviews with the veterans involved how young men who had never even flown in an airplane before the war were trained to fly into combat or to parachute into the dark of night The narrative personalizes the events of D Day for a small group of men of the 77th Troop Carrier Squadron and G Company of the 501st Parachute Infantry Regiment Most including the authors uncle did not survive to see the dawn on D Day morning The story then moves forward more than half a century when research to find out what happened to his uncle led the author to meet some of the survivors of that night resulting in what is believed to be the first reunion of a D Day pilot with the men he dropped on that fateful morning 56 years earlier Many children of the next generation are making efforts to find out what happened to their fathers and uncles in World War II This story is a classic example of the joy and heartbreak that can result from the success of such a search

Vanguard of the Crusade Mark A. Bando,2003 Widely respected author Mark Bando has skillfully woven together hundreds of carefully authenticated WWII anecdotes by the men whose sacrifice and courage built the foundation of the 101st s proud heritage Told without a shred of sentimentality but with an implicit and profound respect for the paratroopers and glidermen who wore the Screaming Eagle patch the book captures the spirit and the deeds of the Division which from Normandy to Holland to the Ardennes was the vanguard and a bulwark of the Crusade in Europe

Arnhem 1944 Stephen Badsey,2004 Market Garden was one of the most audacious and ultimately controversial operations of the Second World War a joint penetration by an armored column and a large scale airborne drop The objective was to secure key waterways and railheads and punch a decisive hole in the German defenses If it had succeeded the war could have been ended in 1944 Stephen Badsey closely examines the combatants analyzing their strengths and weaknesses and explaining the different phases of the battle Yet the two pronged attack failed as a confusing and daily changing pattern of events unfurled Instead of being relieved after 48 hours as expected British paratroopers were cut off for nine days as the 2nd Army s spearhead XXX Corps were slowed by constant German shelling Facing two unexpected SS Panzer divisions the Allied paratroops were eventually evacuated across the Rhine after putting up an incredible fight Of the 10 000 men involved fewer than 2 000 survived Badsey provides an authoritative and absorbing account of why this happened He closely examines the combatants analyzing their strengths and weaknesses and explaining the different phases of the battle

Arnhem Robert Jackson,2003 On September 17th 1944 three Allied airborne divisions two American one British totaling 30 000 men landed at Eindhoven Nijmegen and Arnhem in Holland Their task was to lay an airborne carpet across Holland to the Rhine seizing

vital bridges and opening up a route for an advance into northern Germany by the British Second Army This book covers all aspects of that massive operation which was code named Market Garden and deals with the German side as well as the British and American Above all it tells of the epic and heroic stand of the British 1st Airborne Division at Arnhem where the paratroops fought against increasingly hopeless odds for nine days They were supposed to have held on for only two until the ground offensive reached them It never did **The Trial of Jones and Hulten** Carl Eric Bechhofer Roberts,1945
