After getting my bachelor's degree in nursing here at Jackson University, I want to work in the local healthcare system to gain experience. Then, I intend to pursue my master's degree in nursing, so I can become a nurse practitioner. Having the opportunity to work in its state-of-the-art quantum physics lab would allow me to gain hands-on experience using the same technology and equipment I would need to use in my career. While I was visiting, the students and professors were welcoming, and I immediately felt at home."*
