Manalansan, 2000 *Cultural Compass* re writes the space of Asian Americans Through innovative studies of community politics gender family and sexual relations cultural events and other sites central to the formation of ethnic and citizen identity contributors reconfigure ethnography according to Asian American experiences in the United States In these eleven essays scholars in anthropology sociology ethnic studies and Asian American studies reconsider traditional models for ethnographic research Drawing upon recent theoretical discussions and methodological innovations the contributors explore the construction and displacement of self community and home integral to Asian American cultural journeys in the late twentieth century Some discuss the unique situation of doing ethnographic work at home that is researching one s own ethnic group or another group with Asian America Others draw on rich and diverse field experiences Whether they are doing homework or fieldwork contributors reflect on the ways that particular matters of identity gender class sexuality ethnicity age play out between researchers and informants Individual essays and the book as a whole challenge the notion of a monolithic spatially bounded Asian American community pointing the way to multiple sites of political struggle cultural critique and social change **Meet Me in Manila** Al Cadondon, 2019-12-12 Coming back home sober from Alcohol rehabilitation center he got stranded at the international airport due to inclement weather He meet an exquisite beauty from Manila who aspires to become Miss teen Manila They both find themselves falling in love but due to age difference being Albert ten years older is a problem to Yvonne She is an 18 year old beauty with a bright future in pageantry venue She knows he loves her and she loves him but their relationship is hampered by different interest because of age In this love story of love lost and love gain Albert finding his love life in despair but come back to a happy ever after with her fiancée coming back to him alive who has been presumed dead and gone forever *The SAGE Encyclopedia of Filipina/x/o American Studies* Kevin Leo Yabut Nadal, Allyson Tintiangco-Cubales, E.J.R.

David, 2022-09-13 Filipino Americans are one of the three largest Asian American groups in the United States and the second largest immigrant population in the country. Yet within the field of Asian American Studies, Filipino American history and culture have received comparatively less attention than have other ethnic groups. Over the past twenty years, however, Filipino American scholars across various disciplines have published numerous books and research articles as a way of addressing their unique concerns and experiences as an ethnic group. The SAGE Encyclopedia of Filipina x o American Studies, the first on the topic of Filipino American Studies, offers a comprehensive survey of an emerging field focusing on the Filipino diaspora in the United States, as well as highlighting issues facing immigrant groups in general. It covers a broad range of topics and disciplines, including activism and education, arts and humanities, health, history, and historical figures, immigration, psychology, regional trends, and sociology and social issues.

Awakening Beauty Anthony Napoleon, 2003
Awakening Beauty is an unprecedented exposé on the subject of beauty. It is both entertaining and thought-provoking, a combination that is as unique as it is telling about the author's approach to the subject of this book. The reader is taken backstage into the worlds of beauty pageants, plastic surgery, trophy wives, murderous rage, wardrobe, makeup, Bill Clinton, the events of September Eleven, and other provocative topics where beauty has had its effect. Awakening Beauty invites the reader into a world that is as interesting as it is frightening. Readers are transformed as the author shepherds them from their world into his unique perspective and expertise on beauty. Awakening Beauty includes over 150 tantalizing photographs and illustrations. Awakening Beauty is a compendium of some of the most interesting facts in print. The subject matter of the book, along with the author's unique approach to it, makes this book a must-read. Get ready to re-think everything you thought you knew about beautiful women and physical attractiveness.

The Oxford Handbook of Women and Competition
Maryanne L. Fisher, 2017-08-14 While women are generally perceived to be less competitive than men, women compete in many ways and in a variety of situations. Women try to make themselves look more attractive to draw the attention of a desirable mate. They will use gossip as a form of informational warfare to influence reputations. They compete as mothers to gain access to resources that directly influence the health of their children. They use selfies posted on social media to manipulate others' perceptions. Women compete all of their lives, in the womb, through adolescence and adulthood, and into their elder years. The topic of women's competition has gained significant momentum over the years. Edited by Maryanne L. Fisher, *The Oxford Handbook of Women and Competition* provides readers with direct evidence of this growth and is one of the first scholarly volumes to focus specifically on this topic. Fisher and her team of contributors offer a definitive worldview of the current state of knowledge regarding competition among women today. Many of the chapters are grounded within an evolutionary framework, allowing for authors to investigate the adaptive nature of women's competitive behaviors, motivations, and cognition. Other chapters rely on alternative frameworks, with contributors also asserting that socio-cultural forces are the culprit shaping women's competitive drives. Additionally, several contributors focus their attention on issues faced by

adolescent girls and explore the developmental trajectories for young women through adulthood Designed to serve as a source of inspiration for future research and direction The Oxford Handbook of Women and Competition is a stand out scholarly text focusing on the many competitive forces driving women today **Porn Again** Jose Javier Reyes,2003 *Love and RelAsianships* Nina Lee Aquino,2009 Works that represent cultures from all over Asia and the place those cultures have in Canada Luna's Moustache Ambeth R. Ocampo,1997 **Crossing Cultural Boundaries** Lili Hernández,Sabine Krajewski,2009 To cross boundaries to go beyond borders an evocative idea but what are the implications and consequences of transgression How are boundaries challenged redefined and overcome within the intricacies of taboos bodies and identities Crossing Cultural Boundaries Taboos Bodies and Identities brings together a range of articles that address this theme using different frameworks of interpretation As in the case of taboo boundaries are often internalised and may function as regulators for a society Their existence becomes visible the moment they are violated The essays in this book explore voluntary and accidental encounters with boundaries not only from theoretical perspectives but also from the experience of those who are part of transitions on a regular basis in their everyday lives The notion of otherness is central to the articles in this book The definition and interpretation of cultural others become part and parcel of the process of negotiation of bodies and identities While the other TM is marked by outward bodily signs spaces taboos and cultural practices the self is empowered by resisting submission to dominant modes and descriptions Deconstructing boundaries becomes part of the project of redefining the self This book will appeal to academics and researchers in communications cultural studies sociology health sciences anthropology literature and applied linguistics Feminist Collections ,2013
