Behavioural Questions

Can you describe a time when you had to meet a tight deadline

Answer In my previous job I was responsible for preparing the monthly financial reports. Once due to unexpected delays I had only two days to complete the reports. I prioritized my tasks, stayed focused, and collaborated with my team to ensure we met the deadline without compromising accuracy.

How do you ensure accuracy in your work

Answer I ensure accuracy by double-checking my entries, reconciling accounts regularly, and using accounting software to minimize errors. I also stay organized and review my work to catch any mistakes early.

Can you explain a time when you identified a significant error in the financial statements

Answer During an internal audit, I noticed a discrepancy in the accounts payable records. Upon investigation, I found that an invoice had been entered twice. I corrected the error and implemented a new review process to prevent similar issues in the future.

How do you handle confidential information

Answer I handle confidential information with the utmost care by following company policies, using secure systems, and ensuring that sensitive data is only accessible to authorized personnel.

What accounting software are you familiar with

Answer I am proficient in several accounting software programs, including QuickBooks, SAP, Oracle, and Microsoft Excel. I have used these tools to manage financial records, generate reports, and perform data analysis.
