### EQUAL EMPLOYMENT & DRUG FREE STATEMENTS

The state of California is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right to family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding and related medical conditions), and sexual orientation.

It is the objective of the state of California to achieve a drug-free state work place. Any applicant for state employment will be expected to behave in accordance with this objective because the use of illegal drugs is inconsistent with the law of the state, the rules governing civil service and the special trust placed in public servants.

Applicants must have a permanent civil service appointment with the Department of Justice within three years of the final filing date in order to take this examination. Employees who have limited-term appointments in the department for which the examination is being given (provided they have had a permanent appointment and no subsequent break in service) are allowed to participate in departmental promotional examinations in the department. Otherwise, employees must be:
