

READING COMPREHENSION

Alice came upon a little three-legged table made of solid glass. There was nothing on it but a tiny golden key. On looking around a second time, she saw a low curtain and behind it was a little door about fifteen inches high. She tried the key in the lock, and to her great delight it fitted!

Alice opened the door and found that it led into a small passage, not much larger than a rat hole. She knelt down and looked along the passage into the loveliest garden you ever saw. But she was much too large to get in.

She went back to the table. This time she found a little bottle with 'Drink Me' beautifully printed on its label.

Alice ventured to taste it, and, finding it very nice (it had, a sort of mixed flavour of cherry tart, custard, pineapple, roast turkey, toffy, and hot buttered toast), she finished it off.

"What a strange feeling!" said Alice. "I must be shutting up like a telescope!" And so, it was indeed! She was now only ten inches high and the right size for going through the little door.

Read the above passage carefully and answer the questions.

1. What did Alice find on the table the second time?

Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Comprehension Passages For Grade 5 With Questions And Answers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical

downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Comprehension Passages For Grade 5 With Questions And Answers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Comprehension Passages For Grade 5 With Questions And Answers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
