

A job interview

Here are some typical questions which might be used at an interview for a job

Are you married? Have you got any children?

Tell me about yourself. (Hobbies, interests.....)

What is your present job? What do you do? What are you doing at the moment?

Why do you want to change jobs? What type of position are you looking for?

Have you ever been unemployed before? If so, for how long?

How do you get on with people in general?

Do you mind taking on responsibilities?

Can you work on your own initiative?

Do you prefer giving orders to taking them?

How much do you expect to earn per month?

Would you be prepared to travel to foreign countries? Are you used to flying (air travel)?

What word-processing packages can you use? Are you I.T. literate?

What do you think are your strong points? What is your greatest strength?

What is your greatest weakness? What are you most proud of having done recently?

We have a lot of applicants, why should we appoint you? Why do you want to work for us?

If we appointed you how long would you stay? Which is more important to you: status or money?
