

CAE Reading test 1

Part One: Multiple Choice

You are going to read three extracts which are all concerned in some way with gardens. For questions 1-6, choose the correct answer (A, B, C or D) which you think fits best according to the text.

GARDEN TRUST LAUNCHES A COMPETITION

... to showcase Best Garden or Allotment sites.

All sites will initially be judged on:

- the general maintenance and cleanliness of the area
- evidence of individual and/or communal composting
- provision of waste disposal for non-compostable items

In the second round, the quality of the produce will be taken into consideration. Well maintained communal buildings will also gain points, as will evidence that wildlife is catered for with the provision of such things as small areas of nettles for butterflies, and log piles for small mammals, frogs and toads. Sites which show a strong community spirit and co-operation between plot-holders will go down favourably with the judges.

An additional category for this year is Best Community Project. Judges will be looking at sites which serve the interests of the community. For example, some sites grow shared produce by groups of gardeners in order to grow crops in a co-operative way. Other examples may be providing a place for local school pupils, or those with special needs to learn about the joys of gardening or for growing crops for the housebound elderly. Maybe your site has set aside an area for wildlife, and encourages the local population to come along and enjoy the delights of your wildlife pond or sanctuary. It is essential that any project is run in conjunction with the allotmenters themselves, and not by a third party, the local authority etc.

All shortlisted entries receive a visit from the judges and a certificate.

1. In the first phase of the competition the judges are looking at

- a) the amount of rubbish generated and how it is dealt with.
- b) the standard of food that is harvested.
- c) how far the site provides a habitat for different species.
- d) the competition between neighbouring sites.

2. According to the rules, which of the following would be excluded from entering for the Best Community Project?

- a) A project where members of the public are invited to view birds or animals.
- b) A project which sells its produce back to the community.
- c) A project which serves vulnerable groups like children or the infirm.
- d) A project that receives help from a government administration.
