Her Duke of Sin Dawn Brower, 2023-10-24 Miss Juliet Adams would be living on the streets if not for the kindness of the dowager Countess of Wyndam Her father died leaving her penniless and without any prospects The countess offered her a position as her companion and she leapt at the opportunity She's content with her life but she's also no fool She fully realizes a day may come where she won't have the protection of the countess and then where will that leave her So she's made plans concessions none of which includes love or marriage Until a certain duke makes her question everything Gideon Pryce the Duke of Sinbrough has led a life filled with the most sinful activities imaginable There's not much he hasn't done or would consider doing He lives for all the decadence he can indulge in and as far as he is concerned there isn't enough in the world Until one day he notices her The one woman that looks at him like he's nothing Women usually scramble to be with him but not Miss Juliet Adams He decides to make it his mission to change her view of him and perhaps show her how much pleasure he can give her Juliet is not prepared for the Duke of Sin himself taking an interest in her He threatens every carefully laid plan she makes and he might just be her undoing That is if she can't instead be his salvation
