Use of Value Engineering in Defense Acquisitions Katherine V. Schinasi,2003 Value engineering VE is a recognized technique for reducing costs while maintaining or improving productivity and quality The Department of Defense s DOD VE program consists of both government and contractor developed cost reduction projects designed to reduce a system s life cycle costs In response to Congress request we agreed to provide information on 1 the role the VE program has played in supporting cost reduction in DOD weapons system programs and 2 the alternative measures program managers take to reduce costs and or incentivize contractors In summary we found that the VE program has made a minimal contribution to cost reduction in DOD Value engineering is only one of a number of approaches used by the services to control costs and its use varied significantly from project to project In part its limited use is attributable to new cost reduction initiatives introduced by the department since the 1990s and in part due to the cumbersome processes required to implement the program Perhaps more importantly VE projects are typically undertaken during production or after a system has been fielded At this point opportunities for substantially reducing costs are more limited Our work on commercial best practices suggests that the opportunities to significantly influence costs occur earlier in the life cycle of a system Generally we found significant variance in both the use and support of value engineering throughout the services For example neither the Air Force or the Navy have full time staff resources dedicated to the VE program and consider VE just one of many tools available to reduce costs At one Navy buying activity we could not identify any VE projects while at other Air Force and Navy buying activities we identified isolated instances where VE projects were being undertaken In contrast the Army has a more structured program with staff resources committed to managing the program and developing VE projects However even within the Army there were variances in management emphasis from command to command For the 11 weapons system programs we

examined we found that DOD program managers use a variety of strategies as alternatives to or in conjunction with VE. But how or when VE or other strategies are used varies by project. Like VE, other strategies often seek to motivate contractors to submit cost reduction ideas and sometimes provide opportunities for contractors to share in the savings. Some program managers said they consider the VE tool or methodology but said they use other approaches better suited to their programs or integrated into their management approach. The limited use of the VE program has been the result of a changing acquisition environment and the administrative burdens associated with the program. DOD introduced a variety of new cost reduction initiatives in the 1990s as it looked for ways to reduce costs and create a more efficient acquisition environment. DOD also changed its procedures and processes to foster greater efficiency and cost effectiveness. For example, DOD encouraged programs to replace military specifications and standards with performance specifications, giving contractors configuration control and resulting in less need for contractors to submit changes to DOD for approval. Administrative requirements also contributed to limited contractor participation in the VE program. The proposal process is seen as complex and resource intensive.

Value Engineering in the DOD Acquisition Process Michael Gluck, DEFENSE SYSTEMS MANAGEMENT COLL FORT BELVOIR VA., 1976. The report describes Value Engineering from its conception and introduction into the defense systems acquisition process. The Value Engineering discipline, the emphasis, interest, and image is described together with its interrelationships with other recent developed cost reduction techniques. Finally, the issue of revitalizing Value Engineering from top Government officials is addressed and recommendations offered. The data and narrative in the report is based on interviews with key personnel in the Value Engineering Office of OSD DA and DOD components. The revitalization and renewed interest is supported with copies of Appendices C through I of memoranda and letters among OSD and DOD level.

Significant opportunities appear to exist for increasing defense industry participation and effectiveness in the DoD Value Engineering Program through stimulating a much greater exploitation of the savings sharing potential of industry initiated Value Engineering Change Proposals VECPs It is concluded that defense industry will probably increase its VECp activity significantly 1 When it is generally convinced that its DoD customer is receptive to industry initiated VECPs 2 When DoD VECp processing time is reduced and the quality and quantity of VECp feedback information are improved 3 If the DoD closely monitors experience and problems under the current VE Armed Services Procurement Regulation provisions and makes timely corrections as necessary to maintain strong industry motivation 4 If all concerned DoD and defense industry personnel have a thorough understanding of the intent objectives and procedures of the DoD VECp Program

Barriers to More Active Contractor Participation in the Department of Defense Value Engineering Program John Ray,Naval Postgraduate School (U.S.),1998-06-01 The purpose of this thesis is to determine the barriers to more active contractor participation in the DOD Value Engineering VE program A review of professional literature such as DOD Inspector General General Accounting Office and other research reports provide the background information necessary to explain potential barriers to more active contractor participation in the DOD VE program Thirty telephone surveys were conducted with Government and contractor

personnel to solicit the opinions of these acquisition professionals concerning barriers to more active contractor participation in the DOD VE Program The results and analysis of the interviews are reported It was concluded that there are four significant barriers preventing more active contractor participation in the DOD VE program The four significant barriers to more active contractor participation in the DOD VE program are insufficient funding the VECF submission and approval process a low level of VE awareness among acquisition professionals and a lack of support for the VE program among top level DOD management Recommendations to improve contractor participation in VE are establishment of a centrally managed VE fund streamlining the VECF process increased VE awareness training additional VE personnel resources enforcement of VE savings goals and greater top level management support Value Engineering ,1986 This Handbook provides an understanding of the DoD value engineering VE program in order to encourage broad participation and achieve maximum benefits

Dod Value Engineering Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Dod Value Engineering free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Dod Value Engineering free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Dod Value Engineering free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Dod Value Engineering. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious

and verify the legality of the source before downloading Dod Value Engineering any PDF files. With these platforms, the world of PDF downloads is just a click away.
