Secret UFO Files Rafal Col, 2013-11-28 Look up at the sky the universe is so big it is really hard not to think that there is no other intelligent life out there Are we alone An old question that I think we all know the answer to already But what do we know What does the government know and how much do they know Classified information revealed statements made by people who are risking their own safety for people to know How do they look Are they already here The statements in this book are all real and are facts Do you know everything

From Adam to Omega A.R. Roberts, 2020-09-24 Due to government secrecy the public never learned of the numerous UFO incursions at strategic nuclear weapons installations where they disabled ICBM missiles and even activated their launch codes They never heard about UFO encounters reported by police officers civilian and military pilots and astronauts and they were never told the real facts of the Roswell event The volume of evidence suggesting we are not alone and probably never have been is overwhelming It suggests an alien agenda to accelerate the evolution of the human race To understand what is happening requires knowledge of what is going on today as well as the past particularly during the biblical era Much has been learned through the Freedom of Information Act from whistleblowers and government and military officials This book connects the dots suggesting what aliens have been doing for the past several thousand years

Life, One Big Existential Crisis Kerry Louise Stalker, 2021-01-25 Life One Big Existential Crisis takes the reader on an epic journey It starts by asking What's the point then ventures down the psychological philosophical spiritual cosmological and conspiratorial rabbit hole to answer this great ontological question In short the spirit world is real A spiritual battle is taking place and our souls are the prize for either the kingdom of darkness or kingdom of light There is a dastardly cabal orchestrating our reality using the Bible as its playbook We're living in the last

pages of the Bible and this great book will close with a bang The Beast one world system is on our doorstep This book is for those who want to know the Truth and break free from the matrix The focus is on authenticity and choosing your choice
