## Choices, Choices!

It's time for Spring break in town! Summer means great fun like an outdoor team sports all week. They want to plan all kinds of fun things to do, like fishing, hiking, fishing, swimming, and tennis. They are hoping for some sunny, enjoyable weather. However, they just cannot decide which day to do each activity. So, they decided to check the weather forecast to see whether before making final plans.

When you make predictions you use information from a story or document to determine what will happen next.

Monday	Tuesday	Wednesday	Thursday	Friday
				
a bright sun with no clouds high at 80	partly cloudy with a 20% chance of afternoon thunderstorms high at 80	lightning showers with 60% chance of clearing that evening with a high at 80	partly sunny with a high at 80	partly cloudy with a high at 80

- 1. Tuesday and the cloud seem to signal one activity day fishing. On which day(s) might they not want to go fishing?
- 2. Which day would be the best day for swimming?
- 3. On which days do you think the family might wear jeans and jackets?

Aligns With Current Standards!
