

DISPOSITIONAL POSITIVE EMOTIONS SCALE (DPES) –AMUSEMENT SUBSCALE.

Reference:

Shiota, M. N., Keltner, D., & John O. P. (2006). Positive emotion dispositions differentially associated with Big Five personality and attachment style. *Journal of Positive Psychology, 1*, 61-71.

Description of Measure:

The amusement subscale of the DPES is a 5-item questionnaire that measures a dispositional tendency to feel amused by themselves and others. Respondents report their level of agreement with each item on a 7-point Likert-type scale ranging from 1 (strongly disagree) to 7 (strongly agree).

Abstracts of Selected Related Articles:

Fredrickson, B. L. (2004). The broaden-and-build theory of positive emotions. *Philosophical Transactions of the Royal Society, 359*, 1367-1377.

The broaden-and-build theory describes the form and function of a subset of positive emotions, including joy, interest, contentment and love. A key proposition is that these positive emotions *broaden* an individual's momentary thought-action repertoire: joy sparks the urge to play, interest sparks the urge to explore, contentment sparks the urge to savour and integrate, and love sparks a recurring cycle of each of these urges within safe, close relationships. The broadened mindsets arising from these positive emotions are contrasted to the narrowed mindsets sparked by many negative emotions (i.e. specific action tendencies, such as attack or flee). A second key proposition concerns the consequences of these broadened mindsets: by broadening an individual's momentary thought-action repertoire—whether through play, exploration or similar activities—positive emotions promote discovery of novel and creative actions, ideas and social bonds, which in turn *build* that individual's personal resources; ranging from physical and intellectual resources, to social and psychological resources. Importantly, these resources function as reserves that can be drawn on later to improve the odds of successful coping and survival. This chapter reviews the latest empirical evidence supporting the broaden-and-build theory and draws out implications the theory holds for optimizing health and well-being.

Saroglou, V. (2008). Positive emotions as leading to religion and spirituality. *Journal of Positive Psychology, 3*, 165-173.

studies on flourishing and well being Covers practical applications for education workplaces healthcare and personal growth
Ideal for health practitioners educators workplace leaders and well being coaches PERMA 4 Building Blocks for Human
Flourishing is essential reading for undergraduate graduate and professional audiences It is perfect for courses in positive
psychology public health leadership and organizational development or as a reference for practitioners aiming to enhance
well being in diverse settings The Oxford Handbook of Positive Psychology C. R. Snyder, Shane J. Lopez, Lisa M.
Edwards, Susana C. Marques, 2021 The Oxford Handbook of Positive Psychology is the seminal reference in the field of
positive psychology which continues to transcend the boundaries of academia to capture the imagination of the general
public Almost 20 years after the first publication of this groundbreaking reference this new third edition showcases how
positive psychology is thriving in diverse contexts and fields of psychology Consisting of 68 chapters of the most current
theory and research this updated handbook provides an unparalleled cross disciplinary look at positive psychology from
diverse fields and all branches of psychology including social clinical personality counseling health school and developmental
psychology Several new chapters are included which highlight the latest research on positive psychology and neuroscience
as well as growing areas for applications of positive psychology **The Wiley Blackwell Handbook of Positive
Psychological Interventions** Acacia C. Parks, Stephen Schueller, 2014-04-10 Collating for the first time a range of
techniques in positive psychology this handbook introduces topics such as courage empathy and humor and spans areas as
diverse as gratitude forgiveness and strengths It also explores special considerations such as ethics and motivation and offers
informed conjecture on future directions in research and practice Comprehensive content summarizes theory and research
on many areas of positive psychology intervention for the first time and provides essential updates on established
interventions Features contributions from an array of leading researchers including Bob Emmons Sonja Lyubomirsky and
Shane Lopez Covers established interventions for instance coaching and family therapy as well as newly developed
interventions such as schizophrenia or stopping smoking **Emotional Experience in Schizophrenia** June Louise
Gruber, 2005 A Discrete Emotion Approach to Dispositional Positive Affect Michelle Noelani Shiota, 2003 **Personal
Portfolio of the Self-Compassion Letter and Savouring Expedition** Charlotte Friedrich, 2019-07-02 Project Report from
the year 2018 in the subject Psychology General grade 68 100 merit University of East London Psychology course MSc
Applied Positive Psychology Coaching Psychology language English abstract Positive psychology provides us with a selection
of evidence based exercises and interventions aiming to improve our overall wellbeing and quality of life When choosing a
positive psychology intervention PPI out of a constantly growing pool of variations to receive the best possible results one
should take into account the individual s personality strengths and weaknesses including values and goals sources of
happiness and additional factors such as one s level of motivation The Person Activity Fit Diagnostic a tool which considers a
number of these factors may help find a suitable intervention for those who are not sure where to start while others may

intuitively know what fits them and what doesn't as suggested by Lyubomirsky 2008 For me this has been achieved through a combination of in depth research and following my intuition

Emotional Success David DeSteno, 2018-01-30 David DeSteno's *Emotional Success* is an exploration of harnessing the practical power of using positive emotion to impact decision making Current models promote suppressing emotion and using willpower as a means of self control which DeSteno argues is not viable in the long term With comparisons to well known studies and a balance of hard research and popular culture examples *Emotional Success* calls for a paradigm shift in the way in which we talk about the effect of responding emotionally Presented in four sections that pull together cutting edge research from his own Northeastern University lab DeSteno explores the benefit of promoting the prosocial emotions of gratitude compassion pride and guilt Trying to balance and control emotions by using cognitive strategies is complicated and often ineffective in the long term but building decisions based on an emotional response is in alignment with a gut feeling In a similar way to how the zeitgeist has looked to mindfulness as a means by which negotiate the information overload of modern life learning to use emotion as a response toolkit is an essential way to achieve rational decision making with a real long term impact

Positive Emotion June Gruber, Judith Tedlie Moskowitz, 2014 Everyone cares about positive emotion and what makes us happy But do we really know both sides of the story about our most treasured feelings This comprehensive volume provides the first account of the light and the dark sides of positive emotion and how they can help us and sometimes even hurt us

Naturalistic Studies of Positive Emotions, Relationships and Mental Health Galen Daley Blake McNeil, 2021 Positive emotions broaden our thinking and help us build resources Fredrickson 1998 2001 and different specific positive emotions appear to have unique adaptive functions e.g Stellar et al 2017 Yet clinical science has typically focused on the reduction of negative emotions in treatment Carl et al 2013 Expanding the study of positive emotions especially specific ones like compassion and gratitude in relationship and clinical science can reveal new processes that support healthy relationships and improve individual well being Repetti wives offered more compassion when their perceived marital quality was high but their spouses was low Higher rates of compassion were also expressed by both husbands and wives in couples where wives reported more depressive symptoms and husbands reported more neuroticism Personal distress appeared to be associated with more frequent expressions of marital compassion Study 3 examined the trajectories of positive and negative emotions as well as treatment outcomes over the course of psychotherapy in a psychology training clinic Both increases in positive emotions and decreases in negative emotions independently predicted concurrent declines in symptom distress and improvement in relationship functioning suggesting both are indicators of therapeutic change However changes in positive emotions were also predictive of future improvements in symptoms and relationship functioning suggesting they may be precursors to therapeutic change

Emotional Success David DeSteno, 2018-01-11 EMOTIONAL SUCCESS is as inspiring as it is practical DeSteno shows us how to improve our lives and the world Arianna Huffington author of *Thrive* and *The Sleep*

Revolution If you think the key to self control is overriding your emotions think again Moral emotions can strengthen your willpower and this fascinating book uses the latest social science to explain how Adam Grant author of GIVE AND TAKE ORIGINALS and OPTION B with Sheryl Sandberg Gratitude Compassion and pride not willpower hold the secret to achieving your goals Using cutting edge research world leading psychologist David DeSteno shows you how positive emotions are far more powerful than willpower and self denial in achieving your goals Willpower is quickly depleted but our prosocial emotions become stronger the more we use them Even better they re contagious Cultivating gratitude compassion and pride leads to better cardiovascular health immune function and sleep Students who feel proud of their work will work 40% harder and longer than others Empathy and compassion are the best predictors of team success Our prosocial emotions evolved specifically to help us resist immediate temptations in favour of long term gains But they can also be adapted to strengthen our bonds with our own future selves who will benefit most from the grit we need to succeed in life

Dispositional Positive Emotions Scale Dpes Compassion Book Review: Unveiling the Power of Words

Dispositional Positive Emotions Scale Dpes Compassion Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Dispositional Positive Emotions Scale Dpes Compassion PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Dispositional Positive Emotions Scale Dpes Compassion PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Dispositional Positive Emotions Scale Dpes Compassion free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Dispositional Positive Emotions Scale Dpes Compassion Books
