Zollo, 2021-06-07 Updated version after reading reviews I have now included full photograph exercise demonstrations increased text size and simplified the routine to zone in on strength gain and fat loss more efficiently Introducing *The Minimalist Approach To Achieving A Trim Toned And Functionally Strong Body All From The Comfort Of Your Home WITHOUT Any Expensive Equipment* Are you a woman who struggles to find the time to get to the gym Do you feel completely overwhelmed when you walk into a gym not knowing where to start or what machines to use The facts are that although gyms are a great recourse to improve your fitness and body It is purely a luxury and many of those big machines you see are not necessary when it comes to burning fat and reshaping your body The problem with a lot of workout programs is that they are often complicated and ask too much of it's participants sometimes requiring five to six hour long workouts per week The problem first of all is it's not sustainable to keep up with leaving very little time for recovery an important component in not only becoming fit strong and lean but also remaining injury free Fitness is meant to enhance our lives not take away from it and spending countless hours working out following programs that quite frankly are suited more to professional athletes rather than everyday people like you and me It's time to make fitness an enjoyable part of your life not something you dread having to do everyday Which is why we advocate a minimalist approach to reshaping

Bikini My Body in 8 Weeks Alex Michael Betts, 2017-02-13 This book was inspired by my desire to offer easy to follow and effective workout and nutrition programs to help people get back on track and start to make healthy living a lifestyle rather than a chore Too many people start off their exercise regimens with the best of intentions but don t have a clear enough plan to follow Therefore no plan to stick to This 8 week program is designed for you to be able to sculpt your body and get in great shape without having to leave the comfort of your home or spend countless hours grinding away in the gym This is for ANYBODY from a newbie who has never exercised seriously before to a travelling executive who needs to squeeze a quick workout into an already hectic schedule These workouts are relatively short and sweet and are designed to boost your metabolism with the high intensity interval training HIIT and Excess Post Exercise Oxygen Consumption EPOC philosophies Psychologically it is also a lot easier to start a program when the workouts are very short you will barely notice the increase in duration as you progress In a nutshell you bust your ass for a short period of time and your metabolism rate will remain elevated for longer meaning you burn more FAT At first some may find it hard work so please don t push yourself to the point of passing out listen to your body and build up your stamina gradually if you NEED to rest after every exercise then do it but time your rest and try to reduce it gradually over the course of the program The nutrition aspect is very simple and only has 2 main rules to follow as far as food is concerned The less rules you have to follow the higher your chances of success There is also a tendency to throw too much at your body at first you end up burning out and falling off the wagon This program will build you up from the ground gently which will massively increase your chances of succeeding by sticking with the program

There is a lot of confusion and misinformation when it comes to diet and exercise I have made this program very easy to follow and applied rules that have proven to work time and time again This is a no gimmicks no nonsense plan This eBook contains the following information to ensure your success in the program 18 mins workout day for week 1 8 week easy to follow nutrition plan 4 complete home exercise routines 20 video links to home exercises 10 golden rules to secure your success ABOUT THE AUTHOR Alex Betts Founder of FitnessGuruSG com is passionate about health and fitness and enjoys seeing people make positive lifestyle changes to improve their well being Alex has helped transform hundreds of individuals to become healthier fitter and stronger physically and mentally At a young age Alex developed a fascination for the potential of the human body to be sculpted and to demonstrate strength confidence and power After seeing my body start to change shape and muscles appearing in places where I had never seen them before I was instantly hooked this became my wonderful obsession my therapy and kept me on the straight and narrow no matter what life threw at me Alex believes that there is so much more to training than vanity He believes it empowers people to take control of their lives and gives them a daily sense of accomplishment It also gives them a healthy awareness of how everything they do and consume directly affects their mind and body Alex earned his degree in Sports Exercise Science from the University of Leeds UK in 2005 He is also the President of Singapore Federation of Bodybuilding Fitness SFBF The SFBF is the only federation in Singapore recognized by the International Federation of Bodybuilding and Fitness IFBB organizers of world renowned fitness and bodybuilding competitions namely Joe Weider s Olympia Weekend and The Arnold Classic Sports Festival [The Bikini Body 28-Day Healthy Eating and Lifestyle Guide](#) Kayla Itsines,2016-12-29 The body transformation phenomenon and 1 Instagram sensation s first healthy eating and lifestyle book Millions of women follow Kayla Itsines and her Bikini Body Guide 28 minute workouts energetic kinetic high intensity interval training sessions that help women achieve healthy strong bodies Fans not only follow Kayla on Instagram they pack stadiums for workout sessions with her they ve made her Sweat with Kayla app hit the top of the Apple App Store s health and fitness charts and they post amazing before and after progress shots The Bikini Body 28 Day Healthy Eating Lifestyle Guide features 200 recipes such as fresh fruit breakfast platters smoothie bowls and salads A 4 week workout plan which includes Kayla s signature 28 minute workouts Full colour food shots and photos featuring Kayla throughout *The Body Sculpting Bible Swimsuit Workout: Women's Edition* James Villepigue,Jim Giacinto,2004-03-11 Whether you summer in the Hamptons or Malibu it s time to start getting ready for that itchy bitsy bikini Today s beach fashions have never been more revealing Tankinis bikinis thongs you have to be in shape to wear the fashions of the season Now let renowned trainer James Villepigue show you the way to physical perfection and the hottest summer of your life Special features New exercises that target the thighs Toning exercises for the abs and obliques A glutes workout for the best butt on the beach Diet tips workout plans meal schedules and more The Body Sculpting Bible Swimsuit Edition for Women will make you your sexiest best just in time for the beach
