

FREDERICK DOUGLASS [1818-1895]

Learning to Read and Write

Frederick Douglass - Journalist & Civil Rights Activist | 1818-1895

Frederick Douglass was born a slave in 1818 in Maryland. He learned to read and write, escaped to New York, and became a leader in the abolitionist movement. He engaged in speaking tours and edited *North Star*, a newspaper named for the one gold-escaping southern slave could rely on to find their way to freedom. Douglass is best known for his autobiographic *Narrative of the Life of Frederick Douglass* (1845), from which "Learning to Read and Write" is excerpted. In this selection, Douglass tells the story of his coming to literacy. As you read, keep your eye on the ways in which Douglass describes the world opening up for him as he learns his letters and the range of emotions this process evokes in him.

[1] I lived in Master Hugh's family about seven years. During this time, I succeeded in learning to read and write. In accomplishing this, I was
