Masters of the Ninth Art Matthew Screech, 2005-01-01 In English speaking countries Francophone comic strips like Hergés's *Les Aventures de Tin Tin* and Goscinny and Uderzo's *Les Aventures d'Asterix* are viewed and marketed as children's literature. But in Belgium and France their respective countries of origin such strips known as *bandes dessinées* are considered a genuine art form or more specifically the ninth art. But what accounts for the drastic difference in the way such comics are received. In *Masters of the Ninth Art* Matthew Screech explores that difference in the reception and reputation of *bandes dessinées*. Along with in-depth looks at *Tin Tin* and *Asterix* Screech considers other major comics artists such as Jacques Tardi, Jean Giraud and Moebius, assessing in the process their role in Francophone literary and artistic culture. Illustrated with images from the artists discussed *Masters of the Ninth Art* will appeal to students of European popular culture, literature and graphic art.

Cat Secrets Didier Hallépée, 2011-09-07 The cat has been occupying a prominent place in our homes and at our sides for many years. It is normal to come across him at any time in our literature or when visiting a website. Sometimes he occupies the central place and there are many books that have been devoted to him, sometimes by writers less well known than their companions. Other times he is just making the scene more lively, more truthful because without him where would be the soul of our home. Through these quotes you will first travel in time across regions, religions and cultures: the Bible, Einstein, Mahomet, Queen Elisabeth II, Shakespeare, Agatha Christie and many others. This little journey into the heart of wisdom or in the company of famous personalities will give you all the delights that our fourlegged friends deserve. And at the heart of all these treasures I'm sure you will find valuable thoughts to illuminate your every day.

My cat told me - my dog told me Didier Hallépée, 2011-09-07 The cat and the dog have been occupying a prominent place in our homes and at our sides for many years. His life in a family of Egyptian Maus and King Charles Spaniels made him sensitive to the deepness of the thoughts of our favorite 4 legs. Didier HALL P E shares with us the many quotations he met in the over ten thousand books he could read.
