

2. 'A prime minister is obliged by convention to choose his ministers from his own party, largely from the House of Commons.' Consider the advantages and disadvantages of this convention.
3. Examine critically the functions of the Minister in a government department and his relationship with his Permanent Secretary.
4. Why is it important that the Judges of the High Court are independent of the executive and of Parliament? How far is judicial independence achieved in the United Kingdom?
5. What are the special features of the Magistrates' Courts? Discuss the virtues and weaknesses of these courts.
6. Compare and contrast the English High Court with an administrative tribunal.
7. The modern British Civil Service has been described as the product of a Victorian philosophy. Is this a fair portrait? How did the Fulton Committee propose to reform the Service?
8. To what extent does the committee system operate in English local government? Discuss the distinctive features of these committees.
9. Consider the suggestion that English cities should be administered by a professional manager watched over by a small committee of the Council.
10. 'Educational policy ought to be determined by the local authority.' Discuss this proposition, bearing in mind the control and influence exercised by the Central Government.

*English and Its Teachers* Simon Gibbons, 2017-04-21 *English and Its Teachers* offers a historical overview of the development of secondary English teaching in schools over the past 50 years Initially charting the rise of a new progressive approach in the 1960s the book then considers the implications for the subject and its teachers of three decades of central policy intervention Throughout document and interview data are combined to construct a narrative that details the fascinating and at times turbulent history The book is divided into two main parts The age of invention and The age of intervention The first of these sections details how innovative English teachers and academics helped to develop a new model The second section explores how successive governments have sought to shape English through policy A final part draws comparisons with the teaching of the subject in other major English speaking nations and considers what the future might hold *English and Its Teachers* is a valuable resource for those interested in the teaching of English in secondary schools from new entrants to the profession to experienced teachers and academics working in the sector **Miss Seetoh in the World**

Catherine Lim, 2012-01-30 Miss Maria Seetoh a teacher of English and Literature in St Peter s Secondary School in Singapore sees herself as a simple soul who only wants to be a good and happy person and has a dream to write stories about simple ordinary people going about their daily lives However God Providence Fate Chance etc decrees otherwise She is thrown into the tumult of a disastrous marriage that begins as strangely as it ends a failed love affair that hollows her out and a controversial teaching career that ends with her abrupt resignation Most of all she is caught in a political event as shocking in its causes as in its consequences Set against the backdrop of modern day Singapore a hugely successful city state grappling with changes and challenges that could corrode the very soul the novel ultimately examines with wit wry irony and warm understanding the unchanging quandaries of the human condition when love and sex religion and politics tradition and modernity can all come together in an unruly mix to show human nature at its most depressing and its most inspiring

*Chronicle of Singapore, 1959-2009* Peter H. L. Lim, 2009 This lavishly illustrated volume captures the entire dramatic sweep of Singapore s modern history from its declaration of independence in 1959 to today Organised in chronological order with each year s coverage starting with a succinct summary of its key events *Chronicle of Singapore* covers not only the nation s defining political and economic events but also the more human side of Singapore sports fashion music the arts architecture and culture giving readers the broadest possible coverage Anyone who has visited or lived in this most unique of modern city nations will be enthralled by this pictorial and narrative history *Issues in Modern Foreign Languages Teaching* K. Field, 2004-08-02 *Issues in Modern Foreign Languages Teaching* draws together a range of issues in the teaching of modern foreign languages into one volume that will encourage students and newly qualified teachers to consider and reflect on the issues so that they can make a reasoned and informed judgement about their teaching of MFL It will be relevant for students and newly qualified teachers at both primary and secondary level and will fill a gap in their knowledge
