[Imagine the Life You'd Love to Live, Then Live It](#) Peg Conley,2014-11-17 Peg Conley has been an artist all her life but like many of us took a long detour into the working world where she was a corporate sales queen in Seattle with a lot of success and a happy busy family Art became the thing she did on vacations weekends and when she could carve time out of her busy life Something gnawed at her a nagging feeling that life might hold something else for her in the midst of it all Then came the big aha moment Peg heard a still small voice inside Imagine the life you want to live then live it It s that simple Her family encouraged Peg to pursue her passion Despite a great deal of fear Peg Conley did the thing she thought she could not do and dropped her big job big house and big life and moved to San Francisco to start a business based on her artisan stationery From a handful of handpainted cards calendars and posters her company Words Watercolors was born and has been inspiring people winning awards and raking in the sales ever since Peg s intention with her work is to inspire and her art and writing all speak to life s great truths and those aha moments for which we all need reminders What do you imagine your Ideal Life to be It may take some time for it to unveil itself You will need to have an idea of what it is you are looking to create Spend some time in contemplation For some that means a quiet meditation where images might come to you For others you might write about something you ve always had a longing to create or a dream that seemed far away and not attainable yet it doesn t go away The dream nudges at you asking you to pay attention Where words work for some people pictures work for others You may want to create a vision board Gather your old magazines and begin ripping out the pictures that appeal to you or draw your own images Your Ideal Life will come alive via the images that resonate with you Don t hesitate to pick up a pen pencil or crayons even and fill

the blank pages with doodles of any kind Do you still think of becoming a nurse Don't be disheartened go online and research classes you can take at your local college to start the process As someone once said if you don't start now 5 years from now you still will be where you are but if you begin with baby steps in 5 years you could be in a completely different place So ask yourself the question What does the life I long to live look like Imagine it Draw it write it collage it and just plain dream it Believe you can have it and then go about creating it as you take daily steps towards becoming an enhanced version of yourself All successful people are big dreamers They imagine what their future could be ideal in every respect and then they work every day toward their distant vision that goal or purpose

In an age where screens dominate our daily lives Digital Detox Reclaiming Your Life from Screens emerges as a vital guide for those seeking to regain control over their time and mental well being This book addresses the pressing issue of digital

overload a phenomenon that has infiltrated every aspect of modern living from personal relationships to professional environments. With research indicating that the average American spends over 11 hours per day consuming media, the relevance of this topic is undeniable. It targets readers who feel overwhelmed by their digital devices—parents, professionals, and students alike—offering practical strategies to disconnect and rediscover a more fulfilling existence. Delving into the multifaceted challenges posed by excessive screen time, this book explores its historical roots alongside contemporary trends that have exacerbated our reliance on technology. The rise of social media platforms and streaming services has not only transformed communication but has also contributed to increased anxiety and diminished attention spans. Drawing on compelling studies from institutions like the Pew Research Center and insights from experts in psychology and neuroscience, *Digital Detox* highlights the profound impact of constant connectivity on mental health. The author presents evidence linking screen addiction to issues such as sleep deprivation, depression, and decreased productivity. In addition to analyzing these global trends, *Digital Detox* provides actionable insights tailored to today's fast-paced lifestyle. The book outlines specific techniques for establishing healthy boundaries with technology, such as setting screen-free zones at home or implementing digital curfews. By incorporating mindfulness practices and encouraging readers to engage in offline hobbies, it empowers individuals to reclaim their time and cultivate deeper connections with themselves and others. Unique in its approach, the book combines personal anecdotes with rigorous research, offering a relatable yet informative perspective that sets it apart from other self-help publications. As society grapples with the consequences of an increasingly digital world, *Digital Detox: Reclaiming Your Life from Screens* serves as both a wake-up call and a roadmap for transformation. Its comprehensive exploration of the effects of screen dependency resonates deeply with anyone looking to enhance their quality of life amidst technological chaos. Readers will benefit not only from understanding the importance of stepping back but also from practical steps they can take today to forge healthier relationships with their devices. This engaging narrative invites readers to reflect on their own digital habits while providing them with the tools necessary for meaningful change. By fostering awareness around our screen usage patterns, *Digital Detox* encourages a collective movement towards intentional living—a shift that could significantly alter how we experience daily life in our tech-saturated society. Through its blend of compelling analysis and actionable advice, this book promises not just insight but empowerment for those ready to embark on their journey toward digital wellness.
