Getting Started From \$0 | A Beginner's Guide to Earn Money from Scratch Ejaj Saifi, 2021-04-14 They say money isn't important but they're lying. They're making a fool of you. They don't want you to reach the bottom. They just want you to scrape the dirt above. They mislead you. They don't let you see through the bottom. They don't want you to get your hands on the oil and minerals. They absorb everything and persuade you with tempting and attractive things. This is a book about making money from scratch. This book will teach the methods and secrets of earning millions as well as how the rich become rich and the poor remain poor. This is a comprehensive guide on how to earn money without any investment. A guide for people with nothing in their pockets. This book covers both the beginner earning process and the multiplier method. This book will show you how to save money and multiply it exponentially.
