Things I hate in
Pop Culture

What I hate about Pop Culture is how in music everything is practically 'autotuned'. It's so annoying. If you need a computer to fix your voice, then you shouldn't sing!!

I don't like Canada's insult to the world; Bieber, either. but I don't hate him that much, he pretty much humiliates himself in public anyway

- Hiding himself with a door in Germany
- Not knowing what 'German' is.
- Getting candy thrown at him
- Crying about laser tag
- Having a music video where he raids a fridge for ice cream instead of beer.
