

Justine Sachs

**Karam Dana**

## **Justine Sachs:**

**To Stand with Palestine** Karam Dana, 2025-02-04 In recent years attitudes in the United States toward the Palestinian cause have shifted dramatically Although Palestinians have long been demonized in U S media and politics their struggle portrayed as illegitimate emergent progressive voices increasingly challenge the status quo on Israel and Palestine and express solidarity with Palestinian resistance What accounts for this change and its evolution This book provides a new lens on activism around Palestinian issues demonstrating how the global Palestinian diaspora has driven transnational political movements Karam Dana explores the ways that exile has shaped Palestinian identity and allowed for new forms of global activism He examines the social political economic and technological forces that have created space for Palestinian voices to be heard by wider audiences worldwide Drawing on interviews with scholars and advocates including members of the Palestinian diaspora and Jewish American activists as well as public opinion data and media analysis Dana traces how global Palestinian communities have influenced American views He addresses the backlash against pro Palestinian advocacy but argues that solidarity with Palestinians both in the United States and globally will continue to strengthen Timely and insightful To Stand with Palestine offers an inside look at how Palestinians have shared their story with the world and why sympathy for their plight is growing with significant implications for the global political landscape

**The Closing of the Liberal Mind** Kim R. Holmes, 2017-12-12 A former U S Assistant Secretary of State and currently Acting Senior Vice President for Research at The Heritage Foundation Kim R Holmes surveys the state of liberalism in America today and finds that it is becoming its opposite illiberalism abandoning the precepts of open mindedness and respect for individual rights liberties and the rule of law upon which the country was founded and becoming instead an intolerant rigidly dogmatic ideology that abhors dissent and stifles free speech Tracing the new illiberalism historically to the radical Enlightenment a movement that rejected the classic liberal ideas of the moderate Enlightenment that were prominent in the American Founding Holmes argues that today s liberalism has forsaken its American roots incorporating instead the authoritarian anti clerical and anti capitalist prejudices of the radical and largely European Left The result is a closing of the American liberal mind Where once freedom of speech and expression were sacrosanct today liberalism employs speech codes trigger warnings boycotts and shaming rituals to stifle freedom of thought expression and action It is no longer appropriate to call it liberalism at all but illiberalism a set of ideas in politics government and popular culture that increasingly reflects authoritarian and even anti democratic values and which is devising new strategies of exclusiveness to eliminate certain ideas and people from the political process Although illiberalism has always been a temptation for American liberals lurking in the radical fringes of the Left it is today the dominant ideology of progressive liberal circles This makes it a new danger not only to the once venerable tradition of liberalism but to the American nation itself which needs a viable liberal tradition that pursues social and economic equality while respecting individual liberties

Political Marketing and Public Diplomacy by Pro-Israel and

Pro-Palestinian Advocacy Groups Andrew Lim,2022-10-29 This book looks at how both advocacy groups in New Zealand and Australia use political marketing to conduct advocacy and support Israeli and Palestinian public diplomacy and nation branding The focus lies on their marketing orientation segmentation targeting positioning STP and internal marketing practices The theoretical framework will draw upon several political marketing frameworks and concepts including the product sales market oriented framework the STP process and Pettitt s internal stakeholder marketing approaches The book examines four case studies 1 the Palestine Solidarity Network Aotearoa PSNA 2 the Israel Institute of New Zealand IINZ 3 the Australia Israel Jewish Affairs Council AIJAC and 4 the Australia Palestine Advocacy Network APAN To ensure balance and comparison four groups representing both the pro Israel and pro Palestinian camps in NZ and Australia were selected Other criteria included their broad scope of activity approachability and accessibility as well as connections to state actors through advocacy public diplomacy and nation branding

*Beyond These Shores* Fairlie Chappuis,Zeng Dazheng,Amelia Evans,Max Harris,Thomas Nash,Tina Ngata,Tulia Thompson,2020-08-10 In recent years more people are calling for an independent values based foreign policy and parties of all political stripes are looking for new ideas to achieve that Edited by Nina Hall this book brings together a diverse group of New Zealanders to outline their visions for New Zealand s role in the world It sparks a conversation about how we can exercise leadership and influence in the international arena

**Social Justice and Israel/Palestine** Aaron Hahn Tapper,Mira Sucharov,2019-07-04 This book critically assesses a series of complex and topical debates helping readers to make sense of the politics surrounding the Israeli Palestinian relationship Each chapter considers one topic represented by two or three essays offered in conversation with one another Together these essays advance different perspectives in some cases they are complementary and in others they are oppositional Topics include scholarly and activist interpretations of narratives in the context of Israel Palestine the concept of self determination for Jewish Israelis and Palestinians the debate over settler colonialism as an appropriate framework for interpreting the history of Israel Palestine and questions surrounding Jewish and Palestinian refugees and the impact of displacement among others Through these foundational and contemporary topics readers will be challenged to critically examine the strengths and weaknesses of each position in light of scholarly debates rooted in social justice and helped to gain a deeper understanding of the relationship between Israelis and Palestinians in order to see a path forward toward justice for all

**Gopsill's Philadelphia City Directory** ,1893 **Electrifying Indianapolis, 1881-1954** Indianapolis Power & Light Company,1954 **Who's who in New York City and State** Lewis Randolph Hamersly,John William Leonard,William Frederick Mohr,Herman Warren Knox,Frank R.
