The United States Catalog Mary Burnham, Carol Hurd, 1928 Tests that Second Language Teachers Make and Use
Greta Gorsuch, 2019-10-24 Classroom tests are an everyday feature of second and foreign language classrooms worldwide
Teachers spend a lot of time and energy making and using tests and learners spend a lot of time and energy taking them
Nonetheless such assessments are under studied as they are considered routine This volume illuminates this little researched
area Featuring fifteen classroom language tests made and used by Chinese English French German Italian Japanese Russian
and Spanish teachers the book includes parallel teacher commentary and testing content chapters that transparently probe
the teachers processes of making and using their tests Rather than view teachers tests as poor shadows of what professional
test writers do this work identifies the reasoning behind teachers tests In addition focused testing content chapters take
examples directly from the actual tests and the accompanying teacher commentary This book is an accessible applied
resource for second and foreign language teachers language program administrators working with teachers students in
