**Making the Numbers Count** Brian H. Maskell,2009-06-18 The first edition of Brian Maskell s now classic work proved that when given the chance accountants would prefer not to serve out their working days as number crunching automatons With its energetic tone and common sense approach the book inspired numbers people at all levels to become true allies in their companies lean revolutions Making Numbers Count Chip Heath,Karla Starr,2022-01-11 A clear practical first of its kind guide to communicating and understanding numbers and data from bestselling business author Chip Heath How much bigger is a billion than a million Well a million seconds is twelve days A billion seconds is thirty two years Understanding numbers is essential but humans aren t built to understand them Until very recently most languages had no words for numbers greater than five anything from six to infinity was known as lots While the numbers in our world have gotten increasingly complex our brains are stuck in the past How can we translate millions and billions and milliseconds and nanometers into things we can comprehend and use Author Chip Heath has excelled at teaching others about making ideas stick and here in Making Numbers Count he outlines specific principles that reveal how to translate a number into our brain s language This book is filled with examples of extreme number makeovers vivid before and after examples that take a dry number and present it in a way that people click in and say Wow now I get it You will learn principles such as SIMPLE PERSPECTIVE CUES researchers at Microsoft found that adding one simple comparison sentence doubled how accurately users estimated statistics like population and area of countries VIVIDNESS get perspective on the size of a nucleus by imagining a bee in a cathedral or a pea in a racetrack which are easier to envision than 1 100 000th of the size of an atom CONVERT TO A PROCESS capitalize on our intuitive sense of time 5 gigabytes of music storage turns into 2 months of commutes without repeating a song EMOTIONAL MEASURING STICKS frame the number in a way that people already care about that medical protocol would save twice as many women as curing breast cancer Whether you re interested in global problems like climate change running a tech firm or a farm or just explaining how many Cokes you d have to drink if you burned calories like a hummingbird this book will help math lovers and math haters alike translate the numbers that animate our world allowing us to bring more data more naturally into decisions in our schools our workplaces and our society
