Semiotic Subjectivity in Education and Counseling Inna R. Semetsky,2019-10-16 Semiotic Subjectivity in Education and Counseling demonstrates the importance of addressing the concept of the unconscious in learning Exploring the innovative concept of edusemiotics it challenges the received notion of learning as solely academic and linguistic instead offering an ethico aesthetic paradigm that draws on transdisciplinary research in the context of this new direction in educational theory The chapters explore the production of subjectivity within the process of semiosis as the action and transformation of signs An unorthodox pedagogy of the unconscious blends with the therapeutic dimension and produces subjectivities that emerge in the midst of the relational dynamics of experience The book argues for holistic education that rejects the schism between matter and spirit pervading Western thinking and represents a shift in rethinking spirituality while never separating it from logic and reason Giving voice to the unconscious contributes to learning and changing our habits as an important objective in educative and counseling practices The book critically examines the legacy of Charles S Peirce Lev S Vygotsky and other forerunners of edusemiotics It will be essential reading for academics researchers and postgraduate students across the fields of educational philosophy educational psychology and counseling as well as science studies

Rhetoric, Modality, Modernity Nancy S. Struever,2009-11-15 Since antiquity philosophy and rhetoric have traditionally been cast as rivals with the former often lauded as a search for logical truth and the latter usually disparaged as empty speech But in this erudite intellectual history Nancy S Struever stakes out a claim for rhetoric as the more productive form of inquiry Struever views rhetoric through the lens of modality arguing that rhetoric's guiding interest in what is possible as opposed to philosophy's concern with what is necessary makes it an ideal tool for understanding politics Innovative readings of Hobbes and Vico allow her to reexamine rhetoric's role in the history of modernity and to make fascinating connections between thinkers from the classical early modern and modern periods From there she turns to Walter Benjamin reclaiming him as an exemplar of modernist rhetoric and a central figure in the long history of the form Persuasive and perceptive Rhetoric Modality Modernity is a novel rewriting of the history of rhetoric and a heady examination of the motives issues and flaws of contemporary inquiry [*The Catholic University Bulletin*](#) Catholic University of America,1908 **The American Journal of Psychology** Granville Stanley Hall,Edward Bradford Titchener,Karl M.
