Blueprint Promise Orville Gilmore Jr.,2014-10-16 Many act as if the battle is against the system Moreover it will last as long as life I see it differently The fight is lifelong but with yourself How you prepare to meet these hurdles I call weeds and the upcoming future events in my opinion relies on understanding the playing field and your design Discerning this information places you above time This cornerstone of change predicts new thinking alone with a different level of faith practice and discernment leading to a pattern of success This process on paper is your preliminary Blueprint to a Promise The playing field and the lifecycle work together as change agents To enhance a feature one must reach into the spiritual

realm and bring the promises provisions and authority of Gods will into the natural realm to be seen by all This book features two parts The first thirteen chapters cover preparation the next fifteen cover the action needed on the playing field The strategy is simple Make a decision believe in that decision act as if you already have it give thanks and praise to your God The unconscious purpose is to tell time what time it is We turn learning into discerning The skim through feature in the first four chapters will get you started
