**Prayer in John's Farewell Discourse** Scott Adams, 2020-03-12 It was reported that a doctoral student at Princeton once asked Albert Einstein What is there left in the world for original dissertation research He replied by saying Find out about prayer Somebody must find out about prayer Since Einstein's day a great deal has been written on the topic of prayer in general However relatively little has been written about prayer in John's Farewell Discourse in particular Therefore this analysis not only seeks to understand the relationship between Johannine and Jewish Greco Roman and Christian prayer traditions but also seeks to discern the unique function and application of prayer as it is prescribed in the Farewell Discourse

*The Jewish Gospel of John: Discovering Jesus, King of All Israel (e-Book)* Eli Lizorkin-Eyzenberg, 2015-07-08

The Jewish Gospel of John is not by any standard another book on Jesus of Nazareth written from a Jewish perspective. It is an invitation to the reader to put aside their traditional understanding of the Gospel of John and to replace it with another one more faithful to the original text perspective. The Jesus that will emerge will provoke to rethink most of what you knew about this gospel. The book is a well-rounded, verse-by-verse, illustrated rethinking of the fourth gospel. Here is the catch: instead of reading it as if it was written for 21st-century Gentile Christians, the book interprets it as if it was written for the first-century peoples of ancient Israel. The book proves what Krister Stendahl stated long time ago: Our vision is often more abstracted by what we think we know than by our lack of knowledge. Other than challenging the long-held interpretations of well-known stories, the author, with the skill of an experienced tour guide, takes us to a seat within those who most probably heard this gospel read in the late first century. Such exploration of variety of important contexts allows us to recover for our generation the true riches of this marvelous Judean gospel. Dr. Eli Lizorkin-Eyzenberg has produced an original and thought-provoking work. His book is an interesting effort to view this gospel as reflecting north-Israelite and Samaritan viewpoints. This study brings with it fresh interpretive air and new light to our challenging field.

Prof. Israel Knohl, Head of the Bible Department, The Hebrew University of Jerusalem. For some time, research on the Gospels has suffered from stagnation, and there is a feeling that there is not much new that one can say. In

light of this Dr Eli Lizorkin Eyzenberg s new commentary on the Gospel of John with its original outlook on the identity of the original audience and the issues at stake is extremely refreshing Prof Ishay Rosen Zvi Head of the Talmud and Late Antiquity Department Tel Aviv University

**The Signs of Jesus' Deity in the Gospel of John** Solomon E. Fields,2020-08-27 Do the miracles in the gospel of John really prove that Jesus of Nazareth is the son of God In a carefully researched study a seasoned preacher and teacher examines the signs recorded in the gospel of John explores whether they provide definitive proof of the deity of Jesus Christ and analyzes the background of the audience during the time period of Jesus as well as that of the implied readers of the gospel While explaining the text in John s gospel specifically the passages related to the traditional seven signs and the other nontraditional miraculous signs Dr Solomon Fields also analyzes the acceptance or lack of acceptance of the signs that John incorporates as reasons for believing in Jesus Christ and considers the post resurrection perspective of the uniqueness of the signs within the early church and the present day church in regard to the Christian faith all while giving honor and glory to the Lord Jesus Christ so that souls may be saved and strengthened in the kingdom of God The Signs of Jesus Deity in the Gospel of John provides a concise resource tool for those who minister through preaching teaching and leading bible studies around the signs within this important Christian teaching I thank Dr Fields for presenting such a fresh view on the Signs miracles of Jesus These Signs are a testament of the Divine powers of His attributes shown to man during His ministry here on earth No one else within the historical times of man on earth could possibly exhibit these things except the Son of God Being a student of history I appreciated the book s use of the Old Testament to give strength to the acts rendered by our Lord Jesus Christ The Old Testament connection expounds on the fact that the Word Jesus was preexistent from the beginning as indicated in the first verse of the Book of John The Word was God prior to the beginning and so in essence these powers of Signs were existing prior to the beginning Again thank you Dr Fields for this persuasive view on the Signs of Jesus it is a good resource for study I will recommend the book for my students Dr Bill Odems Mount Olive Bible Institute Whether you are a pastor minister or layperson you will find this in depth exposition of the miracles of Jesus as chronicled in the Gospel of John to be inspirational insightful and provocative The meticulous examination and brilliant writing of Dr Fields reinforce the truth regarding the deity of Jesus as The Christ Cory S Powell Pastor New Dimensions Tabernacle Lubbock TX

*Sin, the Human Predicament, and Salvation in the Gospel of John* Mathew E. Sousa,2021-08-12 Mathew E Sousa demonstrates that in certain respects John s doctrine of salvation fails to align with its customary depiction in Johannine scholarship Sousa suggests that

according to John the human predicament is not merely unbelief or a lack of mental perception and Jesus's mission consists not merely of revelation and or a purely forensic atonement Rather Jesus is for John the one who makes true and everlasting life an accomplished fact for humanity and in doing so Jesus reveals the true nature of the predicament from which he saves Sousa argues that salvation in the Gospel of John concerns ethics and the quality or condition of human corporeality The matters of sin and death in particular also make clear that according to John the human predicament is a reality that in various ways persists for believers as they both are and become children of God Sousa thus concludes that salvation for John consists of far more than the emergence of belief in a moment of decision
