The Gospel According to ANE Covenant Understanding Dave Schoch, 2014-01-15 Most Christians in the Church today in the West do not know about Ancient Near Eastern ANE covenants nor do they understand that the covenants God has made with mankind are based in form on ANE covenants and their governing principles In fact the Old and New Covenants are ANE covenants Scholars and theologians know that the greater understanding we have of the historical and cultural roots of Christianity we can come to a more accurate interpretation of the New Testament Scriptures This is particularly true since Biblical archaeology has unearthed information regarding ANE covenants which the Fathers of the Reformation did not have access to when formulating their doctrinal beliefs and creeds Because the New Testament is an ANE covenant the governing principles of ANE covenants affects how we must interpret the Scriptures emanating from that covenant The information brought forth in this volume demands dissemination throughout the grassroots levels of the Church and Christian academia

New Covenant of Reconciliation: Reformed Theology Modified Through Covenant Understanding Dave Schoch, 2013-09-14 This book is the printed form of a Doctoral Dissertation the focus of the Paper is the application of Ancient Near East covenant principles to exegesis of New Testament Scriptures This is an important work for such application demonstrates many fallacies within currently held to Reformed Theology Application of covenant principles to interpretation of New Testament Scripture is a more complete hermeneutic than what the Reformers had and must be incorporated into the modern codified set of Biblical Hermeneutics Because the New Testament is not a testament but a covenant modeled after ANE covenants understanding what a covenant is and how a covenant operates is paramount to a more complete and accurate set of interpretative rules for comprehending ancient documents This work is no less important to preachers teachers scholars and theologians than is Mendenhall and Trumbull s seminal work on covenants Kline s work on covenant law or Sander s work on the law

The Biblical Aspect of Isaac's Life Ike & Queen Ozuome, 2012-01-30 The Biblical Aspect of Isaac s Life is a detailed study of the life of a wealthy and powerful Old Testament believer who is just like today s Christians in many aspects but was used by God to accomplish His plan and purpose Written by pastors Ike and Queen Ozuome this book offers some helpful insights into Isaac s wise and unwise actions within the biblical context and in terms of a contemporary understanding of Christian life It is designed to help the Christian who is struggling in his or her walk with Christ to have a better understanding of how God interacts with His people It is also a useful resource material for understanding your strengths and weaknesses and for identifying both the opportunities open to you and threats you face in your Christian walk with Christ It can serve as a flashlight for anyone who is walking a dark path or who wants to learn from the mistakes of someone in the past so as to avoid the same mistakes or pitfalls It is a book that will help you link the things that have happened in the past with experiences that you have in the present

leaders shepherd mentor and disciple others in the various aspects of evangelism as prescribed in Gods Word This study offers weekly reminders about the doctrine of evangelism and real life application and scenarios that Christians face each day as they share the gospel of Jesus Christ with others Lessons for Living encourages readers to spend time in the Word of God and can be used individually or within study groups discipleship groups Sunday School classes weekly Bible Studies or life enrichment groups Our desire is that these lessons each outlined with a Key Verse Discussion Questions and a Final Thought to Remember encourage each reader to dig deeper into the Word of God Denominationalism of God ... or ... of Man John F. Luggner,2023-02-20 Denominationalism can be defined as religious division caused by false teaching so the case could be made that its origin traces back to the beginning of creation with the account of Cain and Abel Abel followed correct doctrine with his sacrifice as God respected it whereas Cain chose to alter whatever instructions God had issued on the subject choosing instead a different doctrine or denomination and offering a sacrifice which God did not respect one in which God had not ordained Genesis 4 3 5 Most denominations today attempt to follow some things taught or practiced by Jesus and His apostles But these have been added to or modified to fit human ideas We see this practice exhibited even in the Old Testament Israel feared the Lord seemingly giving God some worship yet they also served other gods according to the nations around them 2 Kings 17 32 33 Mixing truth with non truth makes discernment of God s desired worship much more difficult and worshipping in vain much more of a danger Matthew 15 9 The author explores denominationalism in this series examining a number of the more popular main line denominations to simply compare each with the Scriptures and to Christ s church as He established in the first century in areas of Origin Organization Authority Belief Doctrine and Worship Protocol It is hoped that by doing so some light will be shed on what appears to be a very gray area for many on this subject

DENOMINATIONS: FROM GOD OR MAN? VOLUME ONE John F. Luggner,2024-05-08 Denomination can be defined as religious division caused by false teaching so the case could be made that its origin traces back to the beginning of creation with the account of Cain and Abel Abel followed correct doctrine with his sacrifice as God respected it whereas Cain chose to alter whatever instructions God had issued on the subject choosing instead a different doctrine or denomination and offering a sacrifice which God did not respect one in which God had not ordained Genesis 4 3 5 Most denominations today attempt to follow some things taught or practiced by Jesus and His apostles But these have been added to or modified to fit human ideas We see this practice exhibited even in the Old Testament Israel feared the Lord seemingly giving God some worship yet they also served other gods according to the nations around them 2 Kings 17 32 33 Mixing truth with non truth makes discernment of God s desired worship much more difficult and worshipping in vain much more of a danger Matthew 15 9 Having earned his B S degree from Ohio State University in Business Administration John had just begun a career in that vocation when he met Charlene whom he soon married in the Spring of 74 John a life long Lutheran and Charlene a member of the Church of Christ had some decisions to make concerning their respective faiths Encouraged by his wife and others

including his dear friend and minister at the Fishinger and Kenny Rds Church of Christ in Columbus Ohio Gene Carrell John decided to let the Scriptures speak on the subject One point seemed to trouble him the most his baptism as an infant Since all the examples he could find from the Scriptures described adult individuals who after coming to belief would repent confess and agree submit to baptism infant baptism made no sense how could he as an infant make these decisions After several years of investigation and study of the Scriptures John was convinced the Bible does indeed speak of a different kind of church than the one he grew up in In fact this church was different than any of the religions or churches of its day even the Jewish religion or church with its God ordained animal sacrifices and specialized priesthood was replaced by God with this church For this church ushered in a New Covenant instituted by Christ Himself through a once for all sacrifice of Himself on the cross offering permanent forgiveness of sins and a priesthood made up of all believers with direct access to God John found himself wanting to be part of this Church of Christ Following his obedience to the Gospel and being added to Christ s church not by any individual but by God Himself according to the Scriptures Acts 2 47 John developed a passion for writing and teaching particularly on the subject of modern denominations as compared to the Scriptures and to this New Testament church of Christ His denominational background has given him a unique perspective in this instance to author the first of five volumes on Denominations From God Or Man
