Girl Code Book:

Girl Code Cara Alwill, 2017-07-04 Women around the world have responded to Cara Alwill Leyba's *Girl Code* with a resounding YES. Companies like Kate Spade and Macy's have brought her in to teach the Code Inc magazine named *Girl Code* one of the Top 9 Inspiring Books Every Female Entrepreneur Should Read alongside *Lean In*, *Girlboss* and *Thrive*. A few years ago I made a crazy claim in the first edition of *Girl Code* that in today's competitive marketplace the fiercest thing a female entrepreneur can do is to support other women. Something dynamic happens when women genuinely show up for each other. When we lose the facades, cut the bullshit and truly have each other's backs. When we stop pretending everything is perfect and show the messy beautiful parts of ourselves and our work which all look awfully similar. When we talk about our fears, our missteps and our breakdowns. And most importantly when we share our celebrations, our breakthroughs and our solutions. I'm convinced that there's no reason to hoard information, connections or insight. Wisdom is meant to be shared, so let's start sharing what we've learned to make each other better. Let's start building each other up. Let's live up to our potential and start ruling the world. *Girl Code* is a roadmap for female entrepreneurs, professional women, side hustlers, those with a day job plus a part-time small business and any one in between. This book won't teach you how to build a multimillion-dollar company. It won't teach you about systems or finance. But it will teach you how to build confidence in yourself, reconnect with your why, eradicate jealousy and ultimately learn the power of connection. Because at the end of the day that's what life and business are all about.

The Girl Code Diane Farr, 2008-12-14 This good-humored Generation X inspired illustrated love dictionary contains tongue-in-cheek slang terms for the different stages of love and dating, for body parts and common sexual experiences, ways of making up and breaking up and the basic rules of play that every woman should know. 50 two-color illustrations.

Girl Code Andrea Gonzales, Sophie Houser, 2017-03-07 A New York Public Library Best Book of 2017. Perfect for aspiring coders everywhere. *Girl Code* is the story of two teenage tech phenoms who met at Girls Who Code summer camp, teamed up to create a viral video game and ended up becoming world famous. The book also includes bonus content to help you start coding. Fans of funny and inspiring books like Maya Van Wagenen's *Popular* and Caroline Paul's *Gutsy Girl* will love hearing about Andrea and Sophie's journey from average teens to powerhouses. Through the success of their video game, Andy and Sophie got unprecedented access to some of the biggest startups and tech companies, and now they're sharing what they've seen. Their video game and their commitment to inspiring young women have been covered by the Huffington Post, BuzzFeed, CNN, Teen Vogue, Jezebel, the Today show and many more. Get ready for an inside look at the tech industry, the true power of coding and some of the amazing women who are shaping the world. Andy and Sophie reveal not only what they've learned about opportunities in science and technology but also the true value of discovering your own voice and creativity. A Junior Library Guild selection. A Children's Book Council Best STEM Trade Book for Students K-12.
