didactic writer informed by her hopeful and ethical vision of the future Here is a writer Schmidt argues who does not shy away from horrendous topics unwanted foster children the death of a schoolchild s best friend rape murder political intrigue religious mania and war He finds that Paterson s books among them the National Book Award winning Master Puppeteer 1976 and The Great Gilly Hopkins 1978 and the Newberry Award winning Bridge to Terabithia 1977 and Jacob Have I Loved 1980 are successful when the reader journeys with the author through distressing situations and then arrives in a moment of grace at a place of spiritual enlightenment Paterson s characters Schmidt argues search for fathers for families for love and acceptance for themselves they recall the characters of Flannery O Connor who also find themselves caught in moments of distress and then find like Paterson s characters moments of grace As Schmidt shows that moment may come in the building of a bridge or in coming to understand the implications of a carol or poem or in resolving to live a life of burdens shared Schmidt begins this study with a biographical essay about Paterson s life drawn from her own essays as well as from an interview with her he conducted at her home in Barre Vermont In the balance of the book he addresses her copious work beginning with her early historical fiction and proceeding on to the novels that explore her major themes of the plight of prodigal children and the search for true family Later chapters examine Paterson s more recent historical fiction and her retelling of folk tales Throughout his discussion Schmidt focuses on the stories elements of hope for as Paterson has said in a National Book Award acceptance speech she wants to be a spy for hope Schmidt s lucid study brings readers a closer understanding of this remarkable spy
