Housing – Renting a Home

Two factors that can influence the price of housing are:

1. **location**
2. **size**

The person who owns the property:
landlord

The cost of using someone elses property:
rent

The person who rents the property:
tenant

When comparing properties, three questions to ask a landlord about direct costs include:

1. **How much is the rent?**
2. **Who is responsible for each utility bill?**
3. **Are there additional charges for usage?**
