

A top-down view of a person's hands working on architectural blueprints on a desk. The person is wearing a light-colored sweater. The desk is cluttered with various tools and items: a laptop is in the top left, a calculator is in the top right, a yellow hard hat is on the right side, and several pens and pencils are in the center. The blueprints show detailed architectural drawings of a building. The text "Application of Mathematics In Civil Engineering" is overlaid in the center of the image.
