

PARTICIPANT OBSERVATION

A GUIDE FOR FIELDWORKERS
SECOND EDITION

KATHLEEN M. DeWALT AND BILLIE R. DeWALT

Participant Observation A Guide For Fieldworkers

H. James Birx

Participant Observation A Guide For Fieldworkers:

Participant Observation Kathleen Musante (DeWalt), Billie R. DeWalt, 2010-12-16 Participant observation is the foundation of ethnographic research design and supports and complements other types of qualitative and quantitative data collection. Qualitative research in such diverse areas as anthropology, sociology, education, and medicine draws on the insights gained through the use of participant observation. The authors have written a guide to the collection of systematic data in naturalistic settings, communities in many different cultures, to achieve an understanding of the most fundamental processes and patterns of social life. This book serves as a basic primer for the beginning researcher and as a useful reference and guide for experienced researchers in many fields who wish to reexamine their own skills and abilities in light of best practices of participant observation. This new edition includes discussions of participant observation in nontypical settings such as the Internet, participant observation in applied research, and ethics of participant observation. It also explores in greater depth the use of computer-assisted analysis of textual data, issues of sampling, and in linking method with theory.

Participant Observation Kathleen Musante (DeWalt), Billie R. DeWalt, 2011 Participant observation is the foundation of ethnographic research design and supports and complements other types of qualitative and quantitative data collection. Qualitative research in such diverse areas as anthropology, sociology, education, and medicine draws on the insights gained through the use of participant observation. The authors have written a guide to the collection of systematic data in naturalistic settings, communities in many different cultures, to achieve an understanding of the most fundamental processes and patterns of social life. This book serves as a basic primer for the beginning researcher and as a useful reference and guide for experienced researchers in many fields who wish to reexamine their own skills and abilities in light of best practices of participant observation. This new edition includes discussions of participant observation in nontypical settings such as the Internet, participant observation in applied research, and ethics of participant observation. It also explores in greater depth the use of computer-assisted analysis of textual data, issues of sampling, and in linking method with theory.

Participant Observation Kathleen Musante DeWalt, 2011 Qualitative research in such diverse areas as anthropology, sociology, education, nursing, and medical research draws on the insights gained through the use of participant observation for gaining greater understanding of phenomena from the point of view of participants. This book serves as a basic primer for the beginning researcher and as a useful reference and guide for experienced researchers who wish to reexamine their own skills and abilities in light of best practices of participant observation. Ethnographic Fieldwork Antonius C. G. M. Robben, Jeffrey A. Sluka, 2012-01-24 Newly revised Ethnographic Fieldwork: An Anthropological Reader, Second Edition provides readers with a picture of the breadth, variation, and complexity of fieldwork. The updated selections offer insight into the ethnographer's experience of gathering and analyzing data and a richer understanding of the conflicts, hazards, and ethical challenges of pursuing fieldwork around the globe. Offers an international collection of classic and contemporary

readings to provide students with a broad understanding of historical methodological ethical reflexive and stylistic issues in fieldwork Features 16 new articles and revised part introductions with additional insights into the experience of conducting ethnographic fieldwork Explores the importance of fieldwork practice in achieving the core theoretical and methodological goals of anthropology Highlights the personal and professional challenges of field researchers from issues of professional identity fieldwork relations activism and the conflicts hazards and ethical concerns of community work

Worship, Ritual, and Pentecostal Spirituality-as-Theology Martina Björkander, 2024-02-06 Vibrant worship music is part of the Charismatic liturgy all around the world and has become in many ways the hallmark of Pentecostal Charismatic Christianity Despite its centrality scholarly interest in the theological and ritual significance of worship for pentecostal spirituality has been sparse not least in Africa Combining rich theoretical and theological insight with an in depth case study of worship practices in Nairobi Kenya this interdisciplinary study offers a significant contribution to knowledge and is bound to influence scholarly discussions for years to come The book is a must read for anyone interested in Pentecostal worship ritual and spirituality

Encyclopedia of Anthropology H. James Birx, 2006 Focuses on physical social and applied anthropology archaeology linguistics and symbolic communication Topics include hominid evolution primate behaviour genetics ancient civilizations cross cultural studies and social theories

Designing Qualitative Research Catherine Marshall, Gretchen B. Rossman, 2011 This popular text provides useful and pragmatic guidance for developing and successfully defending proposals for qualitative inquiry The Fifth Edition addresses the advances and challenges presented by developments and new applications while providing direct guidance Focusing on the proposal stage of research this edition allows the reader to have a clear plan for data analysis and for the challenging varieties of final reports of qualitative inquiries The new edition includes expanded coverage of ethics analysis processes and approaches and is full of updated vignettes that illustrate the methodological challenges that face today's qualitative researcher This edition also includes discussions about distance based research such as email interviews and online discussion groups the implications of postmodern turns integrating archival material in qualitative research and creative ways of presenting the research This text is an invaluable resource to teachers and students of research methods across disciplines and is a must for the library of those using qualitative approaches

Tourism and Small Business Development in Small Islands of Sabah Arif Kamisan Pusiran, 2019

Studia Liturgica, 2005

The Tapestry of Culture Abraham Rosman, Paula G. Rubel, 2004 This work is an introduction to cultural anthropology designed to provide a conceptual framework to understand both classic and contemporary ethnographies A revised chapter 1 gives students clear introduction to get them started in the course

A Guide for Field Workers in Folklore Kenneth S. Goldstein, 1964

Best Practices for Volunteer Management Within Trail Organizations Benoni L. Amsden, 2004

"We are the Mods" Christine

Jacqueline Feldman,2009 Drawing on archival research oral history interviews and participant observation this examination of the adoption and adaptation of Mod style across geographic space also maps its various interpretations over time from the early 1960s to the present The book traces the Mod youth culture from its genesis in the dimly lit clubs of London s Soho where it began as a way for young people to reconfigure modernity after the chaos of World War II to its contemporary country specific expressions By examining Mod culture in the United States Germany and Japan alongside the United Kingdom We Are the Mods contrasts the postwar development of Mod in those countries that lost the war with those that won The book illuminates the culture s fashion music iconography and gender aesthetics to create a compelling portrait of a transnational subculture Book Jacket

A Discourse Analysis of how Citizens, Agency Managers and the Media Frame Human Consumption of Mercury in Fish Melanie Lynn Hiltunen Barbier,2009

Research in Recreation, Parks, Sport, and Tourism Carol Cutler Riddick,Ruth V. Russell,2008 This book will provide you with the basic practices and techniques required to carry out and monitor a small scale research investigation This new edition has the following New Learning Features The writing and presentation styles have been dramatically altered in the new edition Each chapter now leads off with an orientation outline and relevant quote Furthermore as a trigger device important words and concepts are bolded and italicised Six new feature boxes have also been added Case Study illustrates a point by citing research or a real world example Something to Remember underscores an important point Idea provides straightforward practical how to advice Your Research presents an opportunity for applying chapter materials to planning your own research project Review and Discussion Questions assists in determining mastery of chapter content Exercises contain activities that complement and expand upon chapter material

Tohono O'odham Agriculture and Traditional Foods Paul Michael Buseck,2003

Collective Memory and Home in the Diaspora Lalai Manjikian,2008 This book examines the role of Armenian community centres in relation to the local dwelling place of Montr al the distant homeland and the rest of the Armenian diaspora Due to the staggering increase in migration and to the proliferation of transnational flows our conception of home has substantially changed Thus what motivates immigrants to build centres representative of their ethnicity in their new dwelling places Based on research at two Armenian community centres in Montr al this book provides insight into how these mediated social spaces embody elements that represent the distant home the diaspora and the local dwelling place Through methods of participant observation and interviews this analysis demonstrates how diasporan Armenians living in Montr al negotiate multiple cultural identities through their involvement with Armenian community centres and also how ethnic community centres articulate a collective memory in the present This book therefore sheds light on the challenges and the complexities diasporic communities face and can be useful to scholars interested in diaspora studies migration studies collective memory social work and in urban studies

Acoustic Analysis of Swiss English Vowel Quality Adrian Leemann,2007

The Application of Collaborative Ethnobiological Research Towards the Conservation of Indigenous

Biocultural Diversity Jeanine Marie Pfeiffer, 2004
