

The responsibility of HR study - at the level of the Management Team (MBA)

1. The business strategy
2. The business model
3. The business plan
4. The business process
5. The business structure

6. The business culture
7. The business environment
8. The business risk
9. The business performance
10. The business sustainability

The business strategy is a long-term plan that defines the organization's direction and objectives. It is a key component of the business model, which is a framework for creating, delivering, and capturing value. The business plan is a detailed document that outlines the organization's financial and operational goals, and the business process is a set of standardized procedures that guide the organization's day-to-day activities. The business structure is the organization's internal organization, and the business culture is the organization's shared values and beliefs. The business environment is the external factors that affect the organization's performance, and the business risk is the potential for loss or damage to the organization's assets. The business performance is the organization's ability to achieve its goals, and the business sustainability is the organization's ability to maintain its performance over the long term.

Business strategy and business model: The business strategy is a long-term plan that defines the organization's direction and objectives. The business model is a framework for creating, delivering, and capturing value.

1. Business strategy

1.1 Business strategy (MBA)

The business strategy is a long-term plan that defines the organization's direction and objectives.
