AND KAY WHITLOCK

Queer Injustice

Sir Edward Robert Sullivan

Queer Injustice:

Queer (In)Justice Joey L. Mogul, Andrea J. Ritchie, Kay Whitlock, 2011-02-15 The first comprehensive work to turn a queer eye on the criminal justice system providing an eye opening study of LGBTQ rights and equality Drawing on years of research activism and legal advocacy *Queer In Justice* is a searing examination of queer experiences as suspects defendants prisoners and survivors of crime The authors unpack queer criminal archetypes from gleeful gay killers and lethal lesbians to disease spreaders and deceptive gender benders to illustrate the punishment of queer expression regardless of whether a crime was ever committed Tracing stories from the streets to the bench to behind prison bars the authors prove that the policing of sex and gender both bolsters and reinforces racial and gender inequalities An eye opening study of LGBTQ rights and equality *Queer In Justice* illuminates and challenges the many ways in which queer lives are criminalized policed and punished

Queer (in)justice Joey L. Mogul, Andrea J. Ritchie, Kay Whitlock, 2011 Draws on years of research activism and legal advocacy to present an examination of the gay experience illustrating the continuing punishment of gay expression in the United States and illuminating strategies for change

Activist Identity Development of Transgender Social Justice Activists and Educators Ksenija Joksimović, 2020-03-02 *Activist Identity Development of Transgender Social Justice Activists and Educators* introduces an anti oppressive critical and intersectional approach to social justice activism and education and adult education for social change This book examines how state governments laws policies institutions and systems of dominant hegemonic ideologies such as education systems the legal systems and their gatekeepers influence the social position and epistemic agency of transgender and gender non conforming people TGNC therefore shaping their social justice activist and educator identity development The research was conducted with eight TGNC social justice activists and educators from eight different countries who were at the time in leadership positions in organizations working on the advancement of LGBTQI human rights This volume seeks not only to understand and interpret power structures power relations and inequalities in society which determine social positionality of trans activists and influence the formation and development of their activist identity but also to challenge them by raising critical consciousness questioning dominant cultural political and social domains which determine knowledge production It advocates for a trans affirming intersectional approach to educational provision theory and research

Spatial Futures LaToya E. Eaves, Heidi J. Nast, Alex G. Papadopoulos, 2024-05-11 *Spatial Futures* invites readers to imagine power and freedom through the lens of the Black Outdoors a transdisciplinary spatial concept that operates beyond the planetary stratigraphic confines of the Anthropocene The chapters collectively point to the ontological epistemological contradictions involved in forging liberatory spatial futures Bringing new spatial imaginaries to bear in and outside geography the book refuses the strictures of the cenic entertaining difference as world making

Queering Black Churches Brandon Thomas Crowley, 2024 *Queering Black Churches* explores how open and affirming ONA historically Black churches have queered their congregations Using the lenses of

practical theology ecclesiology Queer theology and gender studies Brandon Thomas Crowley examines the heteronormative histories theologies morals values and structures of Black churches and how their longstanding assumptions can be challenged to dismantle homophobia within African American congregations and move beyond surface level allyship toward actual structural renovation

Children's Literature and Culture Rebecca Rowe, 2025-08-08 Children's Literature and Culture An Introduction guides readers in the study of culture in around and through children's literature Children's literature has long been used as a mechanism by which a culture passes its values from one generation to the next Because of this culturally didactic purpose children's literature can be viewed as one of the most fruitful areas of study of any given culture At the same time studying the cultures from which works of children's literature emerge and in which they circulate can also help better understand not only the ideas of childhood that underpin individual texts for children but the role they play in the construction and transmission of different cultural ideologies This book teaches readers this double work of using culture to understand children's literature and vice versa This volume traces the scholarly methodologies and histories that have attended the study of each of the 20 chapters given subject from the representation of race in and around children's literature to questions of censorship to how libraries can and do shape children's literature In the process it prepares readers to confidently enter and forward scholarly debates and to teach such debates to their own students
