

A summary of the book

Start with Why

By Simon Sinek

Summary by Kim Hartman

This is a summary of what I think is the most important and insightful parts of the book. I can't speak for anyone else and I strongly recommend you to read the book in order to grasp the concepts written here. My notes should only be seen as an addition that can be used to refresh your memory after you've read the book. Use my words as anchors to remember the vital parts of this extraordinary book. I know I will. If you like this free summary you are more than welcome to send me an email just to say thanks. That would make my day. If you dig it I may put up summaries of other similar books. Or if you like to have a chat about the content of the book or things within the same area I am up for that as well.

Enjoy.
