**39 Microlectures** Matthew Goulish, 2000 A series of accidents has brought you this book You may think of it not as a book but as a library an elevator an amateur performance in a nearby theatre Open it to the table of contents Turn to the page that sounds the most interesting to you Read a sentence or two Repeat the process Read this book as a creative act and feel encouraged 39 Microlectures In Proximity of Performance is a collection of miniature stories parables musings and thinkpieces on the nature of reading writing art collaboration performance life death the universe and everything It is a unique and moving document for our times full of curiosity and wonder thoughtfulness and pain Matthew Goulish founder member of performance group Goat Island meditates on these and other diverse themes proving along the way that the boundaries between poetry and criticism and between creativity and theory are a lot less fixed than they may seem The book is revelatory solemn yet at times hilarious and genuinely written to inspire or perhaps provoke creativity and thought
